A) A Summary Report of the Activity

1) Title of Programme:		College Day		
2) Name of Organizing Department/Unit:		Department of Physics and Electronics		
3) Name of the Coordinator(s)/ Convener(s)/ Organizer(s) of the Programme:		Organizing Secretary: Dr A.A. Yadav Convener: Dr. D.V. Raje		
4) Date(s) of the Programme:		12/01/2023		
5) Venue:		Department of Physics and Electronics		
6) Target Group:		Students		
7) Number of Participants:		Male	Female	Total
A separate list with signatures be maintained in the department/Unit)	Teaching	00	00	00
	Non-Teaching	--	--	--
	Students	03	07	10
8) Name(s) and details of Resource Person(s), if any:		--		
9) Total Expenditure for the Programme:		Free		
10) Source of Funding:		Not Applicable		

B) Report

i. Title

College day

ii. Introduction

The function of education is to teach one to think intensively and to think critically. National Youth Day, also known as Vivekananda Jayanti, is celebrated on 12 January, being the birthday of Swami Vivekananda. In 1984, the Government of India declared this day as National Youth Day and since 1985, the event has been celebrated in India every year. This year as a part of the celebration of the National Youth Day, the Department of Physics and Electronics organized the College Day event on 12 January 2023. In this event, the students played the role of teachers and other administrative staff.

iii. Objectives

- To help students acquire knowledge of the subjects.
- To nurture creative, logical thinking of the students.
- To provide a platform where the students can develop their teaching skills.
- To develop leadership, patience and passion among students.

iv. Details of Participants

10 students (Male 03 and Female 07) participated in the College Day event.

v. Brief Summary of Events/ Sessions

The Department of Physics and Electronics organized the College Day for U.G. III and P.G.II students on 12 January 2023. College Day celebration has its relevance because of the fact of togetherness and unity. College day celebration marks a remarkable difference in a student's life. Students need relaxation and relief from their busy study schedule. College day makes students realize the importance of a teacher's dedication and their hard work in teaching. The fun and enjoyment during the celebration of College Day keeps the mind and health of students energetic, indeed, it helps students to learn and work more with confidence. On this occasion, separate seating arrangements were made for the participating students. The class was allotted to each student according to timetable. The students conducted lectures on UG and PG classes throughout the day. At the end of the day, a photo session of participants was carried out with Principal and Senior teachers.

vi. Conclusion, with Feedback

The participants performed their teaching duties successfully under the guidance of senior faculties. This activity helped students to enhance their subject knowledge, teaching skill and self-confidence.
