B) Report

i. Title

Industry Academia Interaction on Solar Energy and Job Opportunities in Solar Industry.

ii. Introduction:

The journey of cooperation between industry and institute has taken different forms at different times. There are a wide variety of interactions practiced among industries and academia. The solar energy industry has shown a 50% growth every year for the past decade. This is important for those who seek jobs and opportunities in the renewable energy sector. The Department of Physics and Electronics organized the Industry Academia Interaction on Solar Energy and Job Opportunities in Solar Industry on 24.02.2023 in order to know the job opportunities available in the solar and renewable energy sector.

iii. Objectives

- To know the importance of solar energy.
- To provide a platform for knowing about the renewable energy sector.
- To make an informative interaction on job opportunities in the solar industry.

iv. Details of Participants

49 (Male 28 and Female 21) participants interacted in the session.

v. Brief Summary of Events/ Sessions

The Industry Academia Interaction on Solar Energy and Job Opportunities in the Solar Industry was inaugurated by the auspicious hands of Dr Mahadev Gavhane. Mr Atul More delivered the concept note. Mr. Santosh Balgir was the resource person. Mr. Santosh Balgir interacted with students on solar energy and job opportunities in the solar industry. He discussed the importance of solar energy and the job opportunities available in the solar industry. Through this interaction, he highlighted the applications of solar energy in house and various fields like Industry, Farming, Communication, Medical, etc. It was a thoroughly enlightening and informative interaction. Dr Mahadev Gavhane delivered the presidential address. He encouraged the students to take Renewable Energy as a career. Mr Swapnil Undalkar proposed a vote of thanks.

vi. Conclusion, with Feedback

The interaction of students with resource person cleared doubts about career opportunities. The participants understood the importance of renewable energy and job opportunities available in the renewable energy sector.
