B) Report

i. Title

Poster Design Competition on “International Moon Day Celebration 2022”

ii. Introduction

Moon, the earth’s only partner as it journeys around the sun, is one of the most romantic objects in the sky. It has held the attention and curiosity of humankind forever - to behold, to ponder, to dream and to rendezvous. When Neil Armstrong stepped foot on the moon, it changed humankind forever. We celebrate “One small step for man, one giant leap for mankind” on International Moon Day on 20 July 2022, Department of Physics and Electronics, organizes Poster Design Competition.

iii. Objectives of the Poster Design Competition

- To bring out the creative expression of students and to gauge their knowledge and awareness of various trends in ‘Living in Space’.
- To judge the students based on their creative aspects but also to trigger thought process among the students towards Living in Space
- To create scientific awareness among students and staff.

iv. Details of Participants

13 (Male 07 and Female 06) students presented posters.

v. Brief Summary of Events/ Sessions

Poster Design Competition with theme ‘Living in Space’ on “International Moon Day Celebration 2022” was organized at 3.00 PM in the Department of Physics and Electronics. The auspicious hands of Dr Mahesh Wavare, Professor of Mathematics, inaugurated the Poster Design Competition. Dr. Vijay Dalvi, Associate Professor of Geography was the examiner for the Poster Design Competition. The winner of the poster were

Name	Class	Title	Rank
Momin Aqsa Fatema Ahemed Riyazoddin	B. Sc II	The MOON	I
Shinde Sujata Pandit	B. Sc II	Phases of the MOON	II
Pathak Renuka Gopalkrishna	B. Sc II	The MOON Facts	III
Javalge Vijay Manik	B. Sc III	Gravitational Shift and Time Dilation	III

Dr Mahesh Wavare appreciated the efforts of the department in organizing various activities. Prof Swapnil Undalkar proposed a vote of thanks.

vi. Conclusion, with Feedback on the Guest Lecture

The posters designed by students with the theme 'Living in Space' on "International Moon Day Celebration 2022" were evaluated by Examiners. The best three posters were awarded with prizes. The Poster Design Competition helped to bring out the creative expression of students. The UG and PG students visited the poster design competition and gained knowledge about 'Living in Space'.
