## **B) Report**

### **i. Title**

Workshop on 'Intellectual Property Rights and Patent Filing'

### **ii. Introduction**

India has joined the international patent system; however, there is still a lack of knowledge and skills in academic institutions on Intellectual Property Rights (IPR). The necessity in the current situation is for focused intellectual property production. The promotion of inventive culture, financial success, market dominance, and wealth creation for the individual and ultimately the country are all made possible by IPR protection and commercialization. IPR knowledge is necessary for the successful expansion of IP rights, which is important. For that, awareness is required, which is significant for fruitful growth of the IPRs. In view of the above, a Workshop on 'Intellectual Property Rights and Patent Filing' was organized by the Department of Physics and Electronics on 27.01.2023 (Friday) at 04.00 p.m.

### **iii. Objectives of the Poster Design Competition**

- To create awareness about IPRs, especially patents and copyrights.
- To provide a platform where experts, academicians and students interact and exchange their ideas and knowledge pertaining to the IPR.
- To guide researchers/inventors in respect of patenting their inventions.

### **iv. Details of Participants**

24 (Male 12 and Female 12) participants attended the workshop.

### **v. Brief Summary of Events/ Sessions**

Dr D.V. Raje delivered the concept note and introduced the resource person. Mr. R. Chandrashekhar started his session with basic concepts like Intellectual Property, IPR and IP Laws. He highlighted the importance of Copyright, Geographical Indications, Trademarks, Designs Act 2000, Patents, etc. Mr. R. Chandrashekhar interacted with students and cleared their doubts. Dr Abhijit Yadav delivered the presidential address. He encouraged students to register for IPR. Mr. Swapnil Undalkar expressed a vote of thanks.

**vi. Conclusion, with Feedback on the Guest Lecture**

The workshop created awareness about IPR, especially patents and copyrights. The workshop also provided a platform for students to interact and exchange ideas and knowledge pertaining to the IPR.
