A) A Summary Report of the Activity

1) Title of Programme:		Showing Videos on Energy Conservation		
2) Name of Organizing Department/Unit:		Physics and Electronics		
3) Name of the Coordinator(s)/ Convener(s)/ Organizer(s) of the Programme:		Chief Organizer: Dr Mahadev Gavhane Convener: Dr Abhijit Yadav Organizing Secretary: Dr Dayanand Raje		
4) Date(s) of the Programme:		19 December 2024		
5) Venue/Mode:		College Campus		
6) Target Group:		UG and PG Students		
7) Number of Participants:		Male	Female	Total
A separate list with signatures be maintained in the department/Unit)	Teaching Staff	03	04	07
	Non-Teaching Staff	--	--	--
	Students	44	129	173
8) Name(s) and details of Resource Person(s), if any:		Resource Person: Mr. Kedar Khamitkar, Energy Auditor, Maharashtra Energy Development Agency (MEDA), Latur		
9) Total Expenditure for the Programme:		₹ 1000		
10) Source of Funding:		Rajarshi Shahu Mahavidyalaya, Latur (Autonomous)		

B) Report

I. Title: Showing Videos on Energy Conservation

II. Introduction:

National Energy Conservation Day is observed on December 14 in India to raise awareness about global warming, climate change, and to promote methods for saving energy resources. The focus is on implementing strategies that optimize energy usage in households, buildings, and communities, with the goal of minimizing waste while maintaining a good quality of life. To further promote awareness about energy conservation, the Department of Physics and Electronics has organized a special program on 19th December 2024, featuring videos and a Chittrarath on the importance of energy conservation.

III. Objectives of the Showing Videos on Energy Conservation:

- To raise awareness about the importance of efficient energy use.
- To encourage students to adopt sustainable energy practices.
- To promote the reduction of excessive and wasteful energy consumption.
- To motivate students to develop strategies for reducing energy intensity.

IV. Details of Participants:

A total of 173 participants took part in the program, including 44 male and 129 female participants.

V. Brief Summary of Showing Videos on Energy Conservation:

A program showcasing videos on energy conservation using a Chittrarath from the Maharashtra Energy Development Agency (MEDA) was organized on the college campus on 19th December 2024 at 4:30 PM. The event was aimed at raising awareness about energy-saving practices among students. Various short videos were presented on a large LED screen, highlighting practical tips for energy conservation, such as using public transport for commuting, the importance of renewable energy sources like solar energy, and simple actions like turning off the car engine at traffic signals to save fuel. These videos were sponsored by MEDA, Latur, providing valuable insights into daily actions that can reduce energy consumption.

The event was attended by several dignitaries, including Principal Dr Mahadev Gavhane, Vice-Principal Prof. Sadashiv Shinde, and the resource person Mr. Kedar Khamitkar, who engaged with the students and addressed their questions, helping to clear any doubts related to the videos and the importance of energy conservation.

VI. Conclusion, with Feedback on the Programme:

The initiative proved to be an informative and interactive session, encouraging students to adopt more sustainable practices in their everyday lives.

VII. Any Appendix If Necessary:
