B) Report

I. Title

College Day Celebration

II. Introduction

The motive of College Day is to boost students' stage confidence and develop their teaching skills. The celebration holds significance as it fosters a sense of togetherness and unity. The Department of Physics and Electronics organized College Day for U.G. III and P.G. II students on 6th February 2025. The celebration of College Day marks a meaningful milestone in a student's life. It helps students appreciate the dedication and hard work of their teachers. The fun and enjoyment experienced during the celebration keep students' minds and bodies energetic. Indeed, it encourages them to learn and work with greater confidence.

III. Objectives

- To help students acquire knowledge of the subjects.
- To explore new talents and interests among the students.
- To nurture the students' creativity and logical thinking.
- To provide a platform for students to develop their teaching skills.
- To develop leadership, patience, and passion among students.
- To help students reflect on and capture their experiences.

IV. Details of Participants

12 participants (Male 04 and 08 Female) delivered the classes and conducted the practical.

V. Brief Summary of Events/ Sessions

On this occasion, special seating arrangements were made in the Physics laboratory for the participating students. Customized timetables and course structures were specifically designed for them, and classes were allotted accordingly. Throughout the day, the participating students conducted lectures for both undergraduate and postgraduate classes. They carried out their teaching responsibilities sincerely under the guidance of the Head of the Department and the teaching staff. At the end of the day, a photo session was held with the participants, the respected Principal, and senior faculty members.

VI. Conclusion, with Feedback

The College Day activity was successfully conducted with the enthusiastic participation of both students and faculty members. Under the guidance of senior faculty, the participants effectively carried out their teaching responsibilities. The activity proved to be a valuable experience, helping students enhance their subject knowledge, develop teaching skills, and boost their self-confidence.
