## **B) Report:**

### **i. Title: Workshop on Save Energy and Energy Conservation**

#### **ii. Introduction**

The Department of Physics and Electronics hosted a Workshop on Energy Conservation on December 23, 2025, at 1:30 PM in the VLC. The event was held under the chairmanship of Principal Dr Mahadev Gavhane. The workshop was inaugurated by Shri Anand Kulkarni, Divisional Manager, and Shri Kedar Khamitkar, Energy Auditor, representing the Maharashtra Energy Development Agency (MEDA), Latur.

#### **iii. Objectives of the Programme**

The workshop was designed to address the following key issues:

- To sensitize students, faculty, and staff toward energy conservation and its global significance.
- To highlight the transition toward non-conventional and renewable energy sources.
- To promote the optimized use of electricity and minimize wastage.
- To provide technical insights into the energy-efficient operation of household appliances (fans, refrigerators, chargers, etc.).
- To foster a sense of environmental stewardship and promote a culture of sustainability within society.

#### **iv. Details of Participants**

The workshop saw active engagement from 51 students, comprising 20 male and 31 female students.

#### **v. Brief Summary of Events/Sessions**

The program commenced with an introductory address by the Coordinator, Dr Dayanand Raje, followed by a formal introduction of the Chief Guests by HoD Dr Abhijit Yadav.

**Keynote Session (Shri Anand Kulkarni):** Shri Kulkarni emphasized the critical need for non-conventional energy. He provided a detailed overview of the "KUSUM" Scheme, urging students to act as ambassadors by informing the farming community about the benefits of solar energy. He concluded his session by leading all participants in a solemn "Energy Saving Pledge."

**Technical Session (Shri Kedar Khamitkar):** An expert energy auditor, Shri Khamitkar provided practical guidance on reducing energy consumption in residential and office settings. Through relatable examples, he demonstrated how small adjustments in the use of daily appliances-such as irons, mixers, and mobile chargers-can lead to significant energy savings.

**Presidential Address:** Principal Dr Mahadev Gavhane delivered a motivating address, reinforcing the importance of energy literacy as a core pillar of modern education.

The event was expertly anchored by Miss Charushila Kalam, and the formal proceedings concluded with a vote of thanks by Mr Rushikesh Burbure. Notable faculty members, including Vice-Principal Prof. Sadashiv Shinde, HoD and IQAC Coordinator Dr Abhijit Yadav, Shri Kiran Khamitkar, Prof. Atul More, Prof. Mayuri Hawaldar, Prof. Vishakha Patil, Mrs Harshad Dalve, Prof. Rupali Katkar, were present to facilitate the discussions.

**vi. Conclusion, with Feedback on the workshop**

The National Energy Conservation Awareness Program successfully met its goals of educating the campus community. Participants demonstrated a clear shift in understanding the practicalities of energy saving. The session received highly positive evaluations, with participants praising the clarity of the resource persons, the relevance of the KUSUM scheme information, and the effective organization of the workshop.
