B) Report

i. Title: Fresher's Welcome Function 2026

ii. Introduction:

The Department of Physics and Electronics organizes the Fresher's Welcome Function annually to formally welcome newly admitted undergraduate and postgraduate students to the department. The programme marks the commencement of their academic journey and facilitates their smooth integration into the institutional and departmental environment. It provides a platform for students to interact with faculty members and senior students, thereby fostering a sense of belonging, confidence, and academic engagement. The programme is planned and conducted by senior students under the guidance and supervision of the departmental staff.

iii. Objectives of the Fresher's Welcome Function 2026

- To welcome new UG and PG Physics students into the department
- To provide a platform for interaction among senior students and freshers.
- To encourage freshers to showcase their creative talents and build personal confidence
- To motivate active participation in academic and co-curricular departmental activities.

iv. Details of Participants

The function was attended by 39 student participants (07 male and 32 female) and 07 Teaching Staff (02 male and 05 female).

v. Brief Summary of Fresher's Welcome Function 2026

The Fresher's Welcome Function 2026 commenced at 2:00 p.m. in Hall No. 315 with a formal welcome address delivered by student representatives, followed by the felicitation of faculty members. The Principal Dr Mahadev Gavhane, welcomed the freshers on behalf of the College and guided the students. The HoD Dr Abhijit Yadav and Teacher-in-Charge Miss Mayuri Hawaldar addressed the students and provided valuable guidance on academic excellence, career development, and holistic personality development. The programme also featured a variety of cultural performances by senior and junior students, including dance, music, skits, and other creative activities, along with interactive icebreaker games that encouraged student participation and strengthened peer bonding. The event concluded with a formal vote of thanks by Miss Charushila Kalam, expressing gratitude to

the organizing committee, faculty members, guests, and all participating students for their valuable contributions to the successful conduct of the programme.

vi. Conclusion, with Feedback on the Function

The function successfully achieved its objective of making new students feel accepted and valued within the Department of Physics and Electronics. Freshers expressed their appreciation for the warm welcome and engaging activities
