Academic Year 2018-19**

**Activity Report: Department of Zoology and Fishery Science**

Particulars	Details
Name of the Activity	Guest lecture on Fermentation Technology
Date	07-12-2018
Number of Participants	29
Details Of the Activity	<p><b>i. Introduction:</b> Dr. M. K. Ranjekar (Professor and Head), Department of Life science College of Engineering, Pune was invited as a resource person to deliver a Guest lecture on "Fermentation technology", it was organized by Department of Zoology and Fishery Science, Rajarshi Shahu Mahavidyalaya (Autonomous), Latur, for teachers, students and researchers on 07 December 2018 at the Department of Zoology and Fishery Science, Rajarshi Shahu Mahavidyalaya (Autonomous), Latur.</p> <p><b>ii. Objectives of the Programme / issues addressed:</b></p> <ul style="list-style-type: none"><li>• To inculcate research attitude among the students</li><li>• To enhance the knowledge among researcher about the use of fermentation technology.</li><li>• To acknowledge faculty, researchers and students about new opportunities and scope in fermentation technology.</li></ul> <p><b>iii. Details of Participants:</b> About 29 participants like teachers, students and researchers were present for this guest lecture. Out of these 14 were female participants and 15 were male participants.</p> <p><b>iv. Brief Summary of Events/ Sessions:</b> The lecture was highly motivating and splendid torch for researchers. Dr. M. K. Ranjekar elaborated detail procedure of fermentation and mechanism of fermented. He also explains the use and applications of fermentation technology in reference to animal husbandry.</p>
