Online Quiz competition on occasion of world fisheries day

Dear Sir/Madam,

It gives us an immense pleasure to announce "National Quiz Competition On Occasion of World Fishery Day" (21th November-2021). Every year on November 21, World Fisheries Day is commemorated to raise awareness about the fishing industry's environmental issues. The day is also celebrated to maintain the ecosystem's and surroundings' equilibrium. History In 1997, the World Fisheries Forum (WFF) was established as a forum for the World Fisheries Consortium (the World Fisheries Forum). A global consensus document that indicated standardization of fishing operations was signed by 18 countries. It was also decided to adopt long-term initiatives to improve development methods. To make fishing a viable mode of trade and commerce, policy guidelines were issued.
