B) Report

i. Title: Excursion tour to Borgaon Sericulture Unit at Borgaon Tq. Murud Dist. Latur

ii. Introduction:

The Applied Zoology is playing a vital role in up gradation of farmers/culturists with good economic support. Among the applied zoology practices sericulture is important as more than 8 million people are being employed in this sector. India is on II Rank in sericulture after China. By keeping this view in mind we organize this excursion.

iii. Objectives of the Programme / issues addressed:

- To obtain practical knowledge of Sericulture.
- To learn sericulture techniques at field

iv. Details of Participants:

About 101 participants like Teachers, students and Non teaching members were present for this excursion tour at Ramling. Which of these 77 were female participant and 24 were male participant

v. Brief Summary of Events/ Sessions:

The visit was highly knowledge boosting and experience sharing regarding the sericulture. As well it was motivating for the students and researchers to enter in the field of Silk-extraction and processing of sericulture studies and Research. Students were satisfied as Shri. Kale Saheb provided all the details of Plantation of mulberry, Lifecycle of Silkworm, stages and feeding of silkworms with mulberry livès etc and lastly answered all the questions asked by Students.

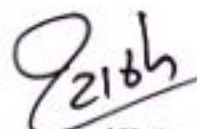

vi. Conclusion, with Feedback on the Programme:

This visit to sericulture unit at Borgaon was found to be very fruitful for the understanding of the lifecycle of Silk moth
