**B) Report**

**Title:** National Quiz Competition on the Occasion of National Science Day-2023

**ii. Introduction**

National Council for Science and Technology Communication asked the Government of India to designate 28 February as National Science Day which the then Govt. of India accepted and declared the day as National Science Day in 1986. The first National Science Day was celebrated on February 28, 1987. National Science day is celebrated all over India on 28<sup>th</sup> of February every year commemorates the discovery of the Raman Effect by Indian physicist, Sir. C.V. Raman. The main goal behind this is to explain the need and importance of science among people and society.

**iii. Objectives of the Quiz Competition**

- To bring awareness to people about the importance of science in our daily life
- To encourage people by popularizing Science and Technology.

**iv. Details of Participants**

**66 participants (Male 24 and 42Female) attended the workshop.**

**v. Brief Summary of Events/Sessions**

Two hundred fifty eight participant were attended the quiz competition. There were sixty five male and one hundred ninety three female respectively. They were aware about importance of science and popularizing Science and Technology by solving quiz.

**vi. Conclusion With feedback of Workshop**

Participant like students and teachers were highly impressed. Encouraged young people to learn about science and developed an interest in it.

**vii. Any appendix if necessary**

**List of Participant has been attached.**
