**“National Symposium on “Applied Zoology, Profitable Animal Production, and Health:
Current Status and Future Progress.”**
(NSAZ-2022-23)

Date: 23rd and 24th September- 2022.

Science and Engineering Research Board (SERB) Sponsored “National Symposium on “Applied Zoology, Profitable Animal Production, and Health: Current Status and Future Progress.” was organized on 23.09.2022 to 24.09.2022. There were 116 participants registered for Symposium from various universities, institutes and colleges. Out of which around 22 participants submitted Research papers for publication in Peer review Journal of Recent Trends in Fisheries Research (ISSN:2319-474X). There were One (01) Key Note Address session and Eight (08) Technical sessions. There were 6 resource persons Out of which 02 speakers from out of Maharashtra and 04 speakers from Maharashtra. Out of six speakers 03 were Senior Scientist and 03 were Young Scientist from renowned institutes doing noteworthy teaching and research in animal science.

The inaugural function was held on 23rd September 2022 at 10.30 am. Hon’ble, Mr. Babruwan Gomsale, Member, Shiv Chhatrapati Shikshan Sanstha, Latur Chaired the inaugural function. The symposium was inaugurated by Dr. Mamidala Estari, Head, department of Zoology Kakatiya University, Warangal Telangana. Chief Organizer, Principal Dr. Mahadev Gavhane, Vice-Principal Prof S.N. Shinde, OSD/IQAC Co-ordinator Dr. Abhijit Yadav and Convener, Dr. Dnyaneshwar S. Rathod, Department of Zoology and Fishery Science, Rajarshi Shahu Mahavidyalaya (Autonomous), Latur along with all the staff members of the Department were present for the inaugural function.

The session wise summary of the Science and Engineering Research Board (SERB) Sponsored “National Symposium on “Applied Zoology, Profitable Animal Production, and Health: Current Status and Future Progress.” is depicted below.

Glimpses of Inaugural Function

Dignitaries Lightening the Lamp 23.09.2022 @ 10.30 am

Welcome Song

Dr. D.S. Rathod Delivering Concept Note of Symposium

Dr. Mahadev Gavhane Delivering the Welcome Address

Chief Guest Hon'ble, Mr. Babruwan Gomsale, Member, SCSS, Latur Delivering presidential Address

Dr. Mamidala Estari Delivering the Inaugural Speech

Dr. K.S. Raut Proposing Vote of Thanks

Friday, 23.09.2022
11:45 AM to 1:00 PM

Session I : Key Note Address:
Drug discovery and Designing.

Senior Scientist

Dr. Mamidala Estari, Professor & Head, Department of Zoology Kakatiya University, Warangal, Telangana

He has thorough teaching experience of 20 years. Under his guidance four (04) Research Scholars have procured doctoral degree. He has published 98 Plus Research Papers in National & International renowned peer reviewed journals and three patents. He has various prestigious awards/Fellowships about 17 from DBT/DST/ICMR. He is a Post-Doctoral Fellow from FBSS USA. He has published 02 books and 06 book chapter.

The key note address was on Drug discovery and designing. He discussed on diabetic studies by inhibiting the action of enzyme and controlling some diseases. He informed that presently there is no treatment in curing some diseases but all medicines keep the blood sugar level under control. He put forth all his results on albino rat in which he guided that the enzyme inhibitors can Control the diabetes more correctly. He also pointed out that for complete treatment we must opt for Gene therapy.

Dr. Mamidala Estari Delivering Keynote Address

Dr. Mamidala Estari Interacting with Delegates during Session

Friday, 23.09.2022
02:00 PM to 2:45 PM

Session II :Synthetic hormones in Induced breeding of fresh water fishes

Dr. D.L. Sonawane, Professor Dr. Babasaheb Ambedkar Marathwada University Aurangabad. He has thorough teaching experience of 30 years. Under Dr. D.L. Sonawane, Fifteen (15) Research Scholars have procured doctoral degree. He has published 125 Plus Research Papers in National & International renowned peer reviewed journals. He has various prestigious awards/Fellowships. He has published 09 books and 18 book chapter.

Senior Scientist

The talk based on the use of Synthetic hormones in Induced breeding of fresh water fishes like Catla, Labeo and Mrigal to get easy fish seeds. He especially focused on the role of Ovaprim and ovatide with the use of Chinese hatchery. This session was chaired by Dr. Babasaheb Salve, Head Dept. of Zoology Adarsh Arts, Science and Commerce College, Hingoli.

Dr. D.L. Sonawane, Delivering Lecture in Second Technical Session

Dr. D.S. Rathod Felicitating Resource person Dr. D.L. Sonawane

Friday, 23.09.2022
02:45 PM to 03:30 PM

Session III: Dairy products & Industrial status

Dr. Ajit Khojare Professor, Department of Dairy Science Vivekanand Science College, Aurangabad. He has thorough teaching experience of 25 years. Under his guidance two (02) Research Scholars have procured doctoral degree. He has published 46 Plus Research Papers in National & International renowned peer reviewed journals and 02 Major Research Project. He has various prestigious awards/Fellowships He has published 09 books and 12 book chapter

Young Scientist

The lecture was devoted for Dairy research and the resource person was Dr. Ajit Khojare Professor, Dept. of Dairy Science Vivekanand Science College, Aurangabad. He focused on use of dairy products and industrial status. He explained the different types of sweets recipies and methods of preparation. He explained the history of food pelleting (available in all countries) making which has been copied from sevai [Indian noodles] (India). This session was chaired by Dr. Santosh V. Rankhamb Head Dept. of Zoology Late. Ramesh Warpudkar Arts, Commerce and Science College, Sonpeth. Dist. Parbhani.

Dr. Khojare Presenting his Research Work in Session-3

Dr. Prof. Vidya Kothari Felicitating the Resource Person Dr. Ajit Khojare in Session-3

<p>Friday, 23.09.2022 03:45 PM to 05:30 PM</p>	<p>Session IV: Oral Presentation</p>
---	---

In oral presentation Six (06) participants presented their Research work.
Ist Prize – Mr. Mushtakh Hashmi
IInd Prize - Miss. Bhande Madhuri

Oral Presentation of Delegates on 23.09.2022

Oral Presentation of Delegates on 23.09.2022

Oral Presentation of Delegates on 23.09.2022

Oral Presentation of Delegates on 23.09.2022

Oral Presentation of Delegates on 23.09.2022

Oral Presentation of Delegates on 23.09.2022

Saturday, 24.09.2022

Session V: Apiculture and Rural Development

10:45 AM to 11.30 AM

Dr. K.S. Raut Assistant Professor Department of Zoology and Fishery Science

He has thorough teaching experience of 25 years. He has published 29 Plus Research Papers in National & International renowned peer reviewed journals. He has various prestigious Awards/Fellowships. He has published 04 books and 06 book chapter.

Young Scientist

The Fourth Session was Conducted by Dr. Kakasaheb S. Raut Asst. Professor, Dept. of Zoology & Fishery Science. Rajarshi Shahu Mahavidyalaya, (Autonomous), Latur. In this Session he focused on the present scenario in the field of Apiculture and rural development. In this he explained the positive relation of apiculture practices and rural development. For good apiculture practices different training programs, schedules, and certificates courses equipments, subsidies, and financial support is given by Government via Central beekeeping research and training institute, (CBRTI) Pune. He also gave details about the Modern Bee Boxes, flora and crops as well as floral calendar etc. This session was chaired by Dr. Milind Lokhande, Head Dept. of Zoology Indira Gandhi Sr. College, Nanded.

Dr. K. S. Raut Presenting his Research work in Session-5 on 24.09.2022

Session-5th was chaired by Dr. Milind Lokhande, Dept. of Zoology Indira Gandhi Sr. College, Nanded.

<p>Saturday,24.09.2022 12.00 Noon to 1.00 PM</p>	<p>Session VI:Sericulture and Rural Development</p>
	<p>Dr. C.J. Hiware, Professor, Dept. of Zoology Dr. Babasaheb Ambedkar Marathwada University Aurangabad. He has thorough teaching experience of 35 years. Under his guidance twenty-five (25) Research Scholars have procured doctoral degree. He has published 133 Plus Research Papers in National & International renowned peer reviewed journals. He has various prestigious Awards/Fellowships.</p>
<p>Senior Scientist</p>	<p>He also worked as director of Sericulture Board Pune. He has published 13 books and 32 book chapter.</p>
<p>The Sixth Session was conducted by Dr. C.J. Hiware. Professor, Department of Zoology Dr. Babasaheb Ambedkar Marathwada University Aurangabad, In this Session he explained the Sericulture and rural development. He focused on different types of silk worms, life cycles and host plants used in Sericulture. He also provided the details regarding history, Chinas dominance in Sericulture it's entry in India, Mulberry plantation, Silk house maintenance, silk cocoons production, prizes, selling ornaments making from cocoons. He guided that sericulture can control the suicides of farmer in our country as every day farmers are committing suicides. He explained that sericulture is a low investment business which gives more benefit. This session was chaired by Dr.D.H.Jadhav, Head Dept. of Zoology Maharashtra Mahavidyaya, Nilanga.</p>	
	
<p>Dr. C.J. Hiware Professor Presenting his Research Work in Session-6</p>	<p>Session-6 was Chaired by Dr.D.H.Jadhav, Head Dept. of Zoology Maharashtra Mahavidyaya, Nilanga</p>

Saturday, 24.09.2022

2.00 PM to 3.00PM

Session VII : Lac-culture and Rural Economics

Young Scientist

Dr. B.S. Salve Professor, Dept. of Zoology Adarsh Arts, Science and Commerce College, Hingoli. He has thorough teaching experience of 25 years. Under his guidance two (02) Research Scholars have procured doctoral degree. He has published 20 Plus Research Papers in National & International renowned peer reviewed journals. He has various prestigious Awards/Fellowships. He also worked as director of Sericulture board Pune. He has published 02 books and 06 book chapter.

The Seventh Session was Conducted by Dr. B.S. Salve Professor, Department of Zoology, Adarsh Arts, Commerce and Science College, Hingoli. In this Session Dr. B.S.Salve explained the Lac culture and rural economics. He described about the different types of Lac insects, Lac Host Plants, Lac production, Processing and uses of Lac. Lac culture can increase self-employability and entrepreneurship for better development rural economics. This session was chaired by Prof. Shri. Ramakrishna Pawar, Netaji Subhash Chandra Bose College, Pune.

Dr. B.S. Salve Professor and Head Presenting his research work in Session-7

Dr. K. S. Raut Felicitating Resource person Dr. B.S. Salve

Saturday, 24.09.2022
3.15 PM to 4.00PM

Session VIII: Poster Presentation

Ist – Miss. Jadhav Vishaka and Miss. Manali Aglave

IInd – Miss. Samarth Aishwarya and Miss. Komal Sawase

Poster Presentation

Ist – Miss. Jadhav Vishaka and Miss. Manali Aglave

IInd – Miss. Smarth Aishwarya and Miss. Komal Sawase

The last session of Symposium was the valedictory function. Principal Aniruddha Jadhav, Secretary, Shiv Chhatrapati Shikshan Sanstha, Latur was the Chairperson; and distinguished personality Dr. B.S. Salve Professor, Department of Zoology Adarsh Arts, Science and Commerce College, Hingoli as chief guest.

Chief Organizer, Principal Dr Mahadev Gavhane graces this occasion by his presence and Convener and HoD Dr. Dnyaneshwar S. Rathod, Rajarshi Shahu Mahavidyalaya (Autonomous), Latur along with all the staff members of the Department were present for the valedictory function. The organization of National Symposium on “Applied Zoology, Profitable Animal Production, and Health: Current Status and Future Progress.” because of financial support from Science and Engineering Research Board (SERB). Thanks to Dr. Sukumar Dey (Scientist-C, SERB), Under Secretary SERB, New Delhi for kind and timely support

Saturday , 24.09.2022
4:00 PM to 5.00 PM

Session IX:Valedictory

Felicitation of Chief Guest Dr. B.S. Salve Professor, Dept. of Zoology Adarsh (ASC) College, Hingoli by Hon. Principal Dr. Mahadev Gavhane

Overview on Symposium by Dr.Kakasaheb Raut

Felicitation of first winner in Oral presentation

Felicitation of Second winner in Oral presentation

Felicitation of First winner in Poster presentation
