B) Report

i. Title: Workshop on Preparation for competitive Examination in Life Sciences.

ii. Introduction:

The Council of Scientific and Industrial Research (CSIR) has entrusted the responsibility of conducting CSIR-UGC NET in CBT mode to NTA. CSIR-UGC NET is a test being conducted to determine the eligibility 'for Junior Research Fellowship (JRF) and for Lectureship/Assistant Professor' in Indian universities and colleges subject to fulfilling the eligibility criteria laid down by UGC. The Graduate Aptitude Test in Engineering (GATE) Examination is conducted jointly by the seven Indian Institutes of Technology at Mumbai, Delhi, Guwahati, Kanpur, Kharagpur, Chennai, Roorkee & Indian Institute of Science at Bengaluru on behalf of the National Coordination Board – GATE, The Department of Higher Education, Ministry of Education (MoE), Government of India. State Level Eligibility Test or SLET is an exam to determine the eligibility of applicants for colleges' and universities' lectureships. PhD admissions are often for the candidates with a master's degree in any subject. Mostly, these candidates do not have any prior experience in research work. PhD entrance tests help universities understand if a candidate is eligible for pursuing a PhD course or not.
