## **B)Report**

### **i. Title :Poster Presentation on occasion of “National Nutrition Week-2024”**

### **ii. Introduction:**

National Nutrition Week is celebrated annually from September 1 to September 7. The Ministry of Health and Family Welfare usually releases the theme to aware the people about important tips of their health and well-being. The role of our diet in life plays the most important role in promotion of health and wellbeing of a human being. A good and balanced diet habit improves the quality of life, as poor diet might cause morbidity and illnesses. This year the theme is feeding beyond the table. The government has created a program to impart proper information and build awareness through Seminars and also Camps to give every Child and Citizen of India on how children can benefit from proper nutritious diet right from birth. So, keep in these views into the mind, Department of Zoology and Fishery Science had been organized Poster Presentation on occasion of “National Nutrition Week-2024” To develop intrinsic skill among the students and to aware importance of nutrition.

### **iii. Objectives:**

- Raise awareness about the importance of nutrition for overall health and well-being.
- Promote healthy eating habits and lifestyles.
- Educate students about the consequences of malnutrition and its prevention.
- To emphasize the significance of balanced diets and nutrient-rich foods.
- To highlight the impact of nutrition on physical and mental health.
- To encourage students, to adopt healthy eating habits.
- To promote research and innovations in nutrition science.

### **iv. Details of Participants:**

There are about 106 participant were present for the presentation. Out of which Thirty four (40) male and (66) female participants present in the presentation.

### **v. Brief Summary of Events/Sessions**

Department of zoology and fishery science organized Poster Presentation on occasion of “National Nutrition Week-2024 on 06<sup>th</sup> September 2024. The student from various streams viz., art, commerce; science and informational technology were participated in poster presentation competition. Theme for poster was “Beyond the table”. This program was inaugurated by Dr. D. S. Rathod, HoD, Department of Zoology and Fishery science, Rajarshi Shahu Mahavidyalaya (Autonomous), Latur. An Introductory speech was given by Dr. K. S. Raut.

### **vi. Conclusion:**

Present poster presentation program increased awareness about nutrition and healthy eating among the Students. Further it improved knowledge of nutrient-rich foods and balanced diets, enhanced understanding of the consequences of malnutrition.

The main motto behind this program was fulfilled and that was to increased participation in nutrition-related activities and events. The knowledge gain by students

- Improved dietary habits among individuals and families.
- Increased consumption of fruits, vegetables, and whole grains.
- Reduced intake of sugary drinks and processed foods.
