## **B) Report**

### **I. Title: "Excursion tour to Gauri Natural Food, MIDC, Chakur and Dist. Latur**

#### **ii.Introduction:**

Apiculture is the modern method of rearing honeybees to gain honey, wax pollens, propolis and bee venom etc. There is vast potential for beekeeping in the India. However, due to lack of knowledge and fear scientific beekeeping is not being practiced by the beekeepers. It is necessary for beekeepers to participate in the trainings / other capacity building programmes on the subject to gain scientific knowledge on the subject from CBRTI programmes. To provide the field knowledge and practical handling of hives this tour was organized. In this tour the Mr. Dinkar Patil conducted the lecture on Beekeeping skill and Apiary management and he guided about all the practical skills required for beekeeping in the lecture hall of the unit.

#### **iii.Objectives of the Programme / issues addressed:**

- To upgrade the practical knowledge in of beekeeping
- To inculcate the skill of apiculture with all steps by practical
- To give the stepwise details of Apiculture and its hivemanagement to commence the students entrepreneurship in Apiculture.

#### **iv. Details of Participants:**

About 54 participants like Teachers, students were present for this excursion tour at Gauri Natural Food, MIDC, Chakur (Dist. Latur). Which of these 36 were female participant and 16 were male participant.

#### **v. Brief Summary of Events/ Sessions:**

This visit was very much fruitful as Shri. Dinkar Patil Sir, Director of this unit demonstrated all the practical details of hive handling, identification of bees, extraction of honey, wax, pollen, and Royal Jelly and Propolis. He also provided the guidelines of honey processing to packing. Students were satisfied by this training cum demonstration tour.

#### **vi. Conclusion, with Feedback on the Programme:**

Shri. Dinkar Patil Sir interacted with students and answered their questions regarding bee species, sting and hive frames replacement. Students have gained practical knowledge regarding bee keeping.
