B) Report

i. Title: Poster Presentation on Occasion of World Animal Day.

ii. Introductions:

The Department of Zoology and Fishery Science organized a Poster Presentation and Awareness Program on the occasion of World Animal Day (4th October 2025) to promote awareness about animal welfare, wildlife conservation, and ecological balance. The program encouraged students to understand the importance of animals in maintaining biodiversity and to spread awareness about threats such as habitat loss, climate change, and poaching.

iii. Objectives of the Programme

- ❖ To create awareness about animal welfare and wildlife conservation.
- ❖ To highlight the importance of animals in maintaining ecological balance.
- ❖ To educate students about threats to wildlife such as habitat destruction and poaching

iv. Details of participants:

A total of 21 (Male: 06 and Female: 15) students participated in the program

v. Brief summary of Events:

The program was conducted successfully with active student participation. Students prepared and presented posters on themes like endangered species, tiger conservation, animal rights, ecosystem balance, and wildlife protection laws. Faculty members guided students and interactive discussions were held to enhance awareness about conservation strategies.

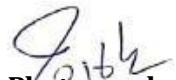

vi. Outcomes of Program:

1. Students gained knowledge about wildlife conservation and animal welfare.
2. Awareness was created about threats to animals and the need for biodiversity protection.
3. The program improved students' creativity, communication skills, and environmental responsibility.
