B) Report

i) Title: Poster Presentation on the Occasion of International Tiger Day.

ii) Introductions:

Colleges and institutions play a vital role in fostering environmental awareness and promoting biodiversity conservation among students. The **Department of Zoology and Fishery Science**, Rajarshi Shahu Mahavidyalaya (Autonomous), Latur, actively contributes to wildlife conservation and environmental education through various awareness programs. On the occasion of **International Tiger Day**, celebrated annually on **July 29**, the Department organized a **Poster Presentation and Awareness Program** to highlight the importance of tiger conservation, biodiversity protection, and ecosystem balance. The event aimed to educate students about the ecological significance of tigers as apex predators, the threats they face due to habitat loss and poaching, and the urgent need for their conservation through collective efforts.

iii) Objectives of the Programme

- 1 To raise awareness about the conservation and protection of tigers and their habitats.
- 2 To encourage students to express scientific and artistic creativity through posters.
- 3 To promote understanding of the role of tigers in maintaining ecological balance.
- 4 To develop a sense of responsibility toward wildlife conservation among youth.
- 5 To integrate scientific learning with environmental awareness and sustainability goals.

iv) Details of participants: 28 participants (Male 10 and 10 Female) attended the Science Exhibition.

v) Brief Summary of Events:

The **Department of Zoology and Fishery Science** organized the **Poster Presentation** on **July 29, 2025**, marking the celebration of **International Tiger Day**. The program began with an **introductory address** highlighting the global importance of tiger conservation. Faculty members emphasized the theme “**Their Survival is in Our Hands**,” focusing on sustainable coexistence between humans and wildlife.

Students presented **creative and informative posters** depicting tiger habitats, threats to their survival, and conservation strategies. Posters showcased facts about tiger populations in India, forest conservation efforts, and the importance of maintaining natural ecosystems.

Judges evaluated the posters based on creativity, scientific accuracy, and message clarity. The event concluded with **appreciation certificates** distributed to participants and winners, encouraging continuous involvement in wildlife protection and biodiversity initiatives.

vi) Conclusion:

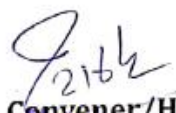

The Poster Presentation on **International Tiger Day** successfully created awareness among students about tiger conservation and environmental protection. The event inspired participants to recognize the tiger as a symbol of a healthy ecosystem and encouraged them to contribute to preserving biodiversity through education, awareness, and sustainable practices.
