B) Report

i. Title: Poster Presentation on the occasion of National Nutrition Week–2025

ii. Introduction

The Department of Zoology and Fishery Science organized a Poster Presentation and Healthy Diet Awareness Program on the occasion of National Nutrition Week–2025 on 18/09/2025. The program was conducted to create awareness about the importance of balanced nutrition and healthy eating habits for overall health and wellbeing. The theme of the poster presentation was “Eat Right for a Better Life.”

iii. Objectives of the Program

1. To create awareness about the importance of balanced diet and proper nutrition for a healthy life.
2. To promote healthy eating habits and lifestyle practices among students.
3. To encourage students to understand nutritional deficiencies, malnutrition prevention, and the role of nutrients in physical and mental health.

iv. Details of Student Participation

A total of 33 students (04 male and 29 female) actively participated in the poster presentation event.

v. Brief Summary of the Event

The program was inaugurated by Hon. Dr. Mahadev Gavhane (Principal, RSML) and Prof. S. N. Shinde (Vice Principal, RSML). Students actively participated and displayed their creativity and knowledge through informative posters based on the theme “Eat Right for a Better Life.”

The Poster Presentation and Healthy Diet Awareness Program was conducted successfully with active participation from students. The posters presented by students focused on topics such as balanced diet, importance of nutrients, malnutrition prevention, healthy lifestyle practices, and the role of nutrition in improving physical and mental wellbeing. The posters were displayed and explained by students in an effective

and creative manner. The event encouraged interactive learning and provided an opportunity for students to enhance their understanding of nutrition-related issues. The program highlighted the need for adopting healthy dietary practices for a better quality of life.

vi. Outcomes of the Program

- Students gained awareness about the importance of nutrition and balanced diet in daily life.
- The program promoted understanding of malnutrition, deficiency diseases, and preventive measures.
- Students developed creativity, presentation skills, and confidence through poster presentation.
- The event encouraged students to adopt healthy food habits and maintain a healthy lifestyle.
- Overall awareness regarding nutrition for physical and mental health was successfully created among participants.
