B) Report

i. Title: Poster Presentation on the occasion of International Tiger Day

ii. Introduction

International Tiger Day is observed every year on 29th July to raise awareness about the urgent need for tiger conservation and to promote the protection of their natural habitats. Tigers are an important part of the ecosystem and play a vital role in maintaining ecological balance. Due to threats such as poaching, habitat destruction, and human-wildlife conflict, tiger populations have declined significantly over the years. To highlight the importance of tiger conservation and biodiversity protection, the Department of Zoology and Fishery Science, Rajarshi Shahu Mahavidyalaya (Autonomous), Latur organized a Poster Presentation and Awareness Program on the occasion of International Tiger Day.

iii. Objectives of the Program

1. To create awareness about the importance of tiger conservation and wildlife protection.
2. To educate students about threats to tigers such as poaching and habitat loss.
3. To encourage student participation in biodiversity conservation and environmental awareness activities.

iv. Details of Student Participation

A total of 21 students (06 male and 15 female) actively participated in the poster presentation event.

v. Brief Summary of the Event

The Department of Zoology and Fishery Science organized a Poster Presentation and Awareness Program on 29th July 2025 to celebrate International Tiger Day. Students prepared and presented informative posters on tiger habitats, ecological importance, conservation strategies, and threats like poaching and deforestation. Faculty members

guided the participants and highlighted the theme "Their Survival is in Our Hands." Posters were evaluated based on creativity and scientific accuracy.

vi. Outcomes of the Program

1. Students gained awareness about the role of tigers in ecosystem balance.
2. The program promoted understanding of wildlife conservation and biodiversity protection.
3. Students developed skills in creative presentation and scientific communication.
4. Certificates were distributed, motivating students to actively support conservation efforts.
