B) Report

i. Title:

Poster presentation on National Vaccination day

ii. Introduction:

Immunization is an indisputable human right and an important component of primary health care. Vaccines are also essential for preventing and controlling outbreaks of infectious diseases. Vaccines interact with your body's natural defenses to build protection, lowering your risk of contracting a disease. Your immune system reacts when you receive a vaccine. The global necessity of immunization has been highlighted by the COVID-19 epidemic.

The Government of India observes 16 March as National Vaccination Day to acknowledge and appreciate the hard work of frontline health care workers to ensure the vaccination of every child.

iii. Objectives of the Programme / issues addressed:

1. To give students a creative outlet for expressing their thoughts and understanding regarding vaccines.
2. To raise public awareness about the necessity of immunization.

iv. Details of Participants:

52 participants (13 Male and 39 Female) attended the poster presentation

v. Brief Summary of Events/ Sessions
