B) Report

i. Title:

Student Induction Programme-2022

ii. Introduction:

The Student Induction Program is arranged to assist new students in adjusting to their new surroundings, instilling the department's character and culture in them, assisting them in forming bonds with other students and faculty members, and exposing them to a sense of larger purpose and self-exploration. It teaches pupils how to be sensitive to a variety of social issues and how to assimilate human values in order to become responsible citizens. Having a well-designed introduction program will assist both teachers and students in setting the pace for productive teaching-learning encounters.

iii. Objectives of the Programme / issues addressed:

1. To familiarize new students to the department, staff and senior students
2. To convey the rules and regulations related to the discipline while working in microbiology
3. To incite the human values and social responsibilities in students

iv. Details of Participants:

66 participants (40 Male and 26 Female) attended the induction program

v. Brief Summary of Events/ Sessions

The students induction program – 2022 is inaugurated with auspicious hands of chief guest Mr. Abhijeet Deshmukh, the founder president of Disha Pratisthan, Latur, a NGO serving to provide medical aid to the rural and poor fraction of society. He went over the many areas of society where educated people needed to concentrate and assist. A positive social attitude is required for a happy life. Social work teaches us how to identify and analyze problems as well as provide solutions. Principal Dr. Mahadev Gavhane chaired the program. He also guided the students about various facilities available in the college for better learning. Mr. Aditya Kadam, a B. Sc. second year student, presented the first issue of "MICROBIOZINE", an online magazine of Microbiology Department.

vi. Conclusion, with Feedback on the Programme

Department of Microbiology, Rajarshi Shahu Mahavidyalaya (Auto.), Latur has organized "Student Induction Programme-2022" on 16th March, 2022. Through this program students learn to tackle the daily life problems as well as social issues facing in day-to-day life.
