B) Report

i. Title: Students Induction Program: 2022-23

ii. Introduction

Purpose of Student Induction Program is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration. Student Induction Programme engages with the new students as soon as they come into the institution; before regular classes start. Department of microbiology organized Students Induction Program and fresher's party on 23rd September 2022,

iii. Objectives of the Student Induction Program

- To educate the new entrants about the environment in a particular institution, and connect them with the people in it.
- To give information of about department, academic program, faculties, culture and values, and their mentor so that through this process students adjust to their new roles and environment.

iv. Details of Participants

111 participants (Male 35 and 76 Female) attended the induction programme.
