(B) Report

i. Title: "Alumni Expert Guidance"

ii. Introduction:

The Department of Microbiology organized an Alumni Expert Guidance with great enthusiasm and academic spirit, aiming to inspire and guide students through real-life experiences and career insights. The session featured alumni currently serving in the Indian Army, whose journey stands as a source of motivation and pride for the institution. The primary objective of this program was to provide students with valuable guidance on career opportunities, discipline, leadership, and the importance of dedication in achieving success. The interaction created a platform for students to learn beyond textbooks, gaining insights into the challenges and responsibilities associated with serving the nation. Such initiatives by the department help in strengthening the bond between alumni and the institution while encouraging students to explore diverse career paths and develop a sense of responsibility, confidence.

iii. Objectives of the Programme:

1. To provide students with guidance on diverse career opportunities beyond traditional academic paths.
2. To inspire students through the real-life experiences and achievements of a successful alumnus serving in the Indian Army.
3. To motivate students to develop physical fitness, mental strength, and a positive attitude towards challenges.
4. To strengthen the bond between alumni and the institution, fostering a sense of pride and belonging.

iv. Details of Participants: Total 37 students participants (15 Male & 22 Female)
