(B) Report

i) Title:

"Report: "Bajaj CPBFI Program"

ii. Introduction

It is a Bajaj Certified Program for Banking Finance and Insurance (CPBFI) introduction program under the industry academic interaction conducted for the final year students.

iii. Objectives of the Programme/ issues addressed

- To focus on employability
- To experience Practical Learning
- To learn the Banking Operation, Insurance management and advanced business communication.

iv. Details of Participants (number, profession, geographical representation, sex ratio, etc., a separate list can be attached as Appendix with the full details if necessary): .

There were 64 students participated out of which 42 Female and 22 Students were present.

v. Brief Summary of Events/ Sessions:

The year 2021-22 was a year not only of unforeseen challenges but also a year of extraordinary resilience and innovations to overcome the challenges. The CPBFI is designed for classroom delivery. However, during the last year, we had to transition to the virtual formats. The pandemic, followed by national lockdown, led to the closing of all colleges, the hiring freeze by many recruiters and an overall economic slowdown. In that environment, the need for a Programme like CPBFI went up multi-fold.

We needed to be available for the hundreds of graduates who needed the right capabilities and a competitive edge to compete for the limited job opportunities. We saw extraordinary commitments from the students, trainers, to not just make CPBFI available in an online format, but also to ensure that the quality and effectiveness of the programme did not get diluted.

vi. Conclusion, with Feedback on the Programme:

It helps both students and organization to understand what is feasible for them and how they can achieve their goals after completion of this program. Creating a pool of talented employees is the main objective of organizations. After all, they need to meet their staffing needs in present and future and a career development system helps them fulfill their requirements and get absorbed in Bajaj finserve or various banks.
