B) Report

i. Title

Mimicry and Collage Competition

ii. Introduction

In order to showcase hidden talent of students as well as creativity, Mimicry and Collage Competition-2023 was organized by student associations of BCA and B.Sc.CS of Department of Information Technology: Information Technology Student Association and TechnoQuest Student Association jointly on 01.02.2023 in Lab 4.

iii. Objectives of the competition

- To conduct various co-curricular as well as extra-curricular activities for students through association
- To provide platform for students to show their hidden talent
- To develop communication & management skills and leadership qualities of student

iv. Details of Participants

09 participants (Male 02 and Female 07) participated in this competition.

v. Brief Summary of Events / Sessions

At the beginning of competition, the President of TechnoQuest Student Association Mr Mukesh Londhe gave introduction of the competition. Two participants in Mimicry competition and 7 participants in Collage competition were participated. One of the student participant of Mimicry Competition presented mimicry of voices of animals. In Collage Competition students have prepared beautiful collage designs from papers as well as unused things.

Mrs Jayshree Jadhav and Mr Manoj Birajdar worked as judge for Collage competition and respectively. After competition, they guided the participants and advised them to participate in activities of their interest by well preparation and showcase their talent.

In this competition total 09 students were participated. All members of student association have taken efforts for making this competition successful. All the winners of this competition awarded a certificate.

vi. Conclusion, with Feedback on the competition

Students have enthusiastically participated in these competitions. They presented their mimicry skill and shown their creativity by preparing beautiful collage in front of judges and audience effectively.
