**(Semester Pattern)**

**(MCQ + Theory)**

**w.e.f. 2018-19**

## **1. Introduction**

English communication skill plays a vital role in the smooth functioning of an organization. The need to impart communicative skills has assumed great importance. A realization of this need by our college has led the Dept of English to play a multidisciplinary role. English is taught and learnt in many different ways so to cover various views. Communicative English is introduced compulsorily to first and second year UG classes of Arts, Commerce, Science, Bio-technology and Information and Communication Technology (IT) streams. In Communicative English, for the first year of UG classes, the content of the course is a judicious combination of Phonetics and Grammar aiming to imparting written communication skills.

## **2. Title of Course**

**Communicative English I & II**

**(Compulsory Course)**

## **3. Objectives of the Course**

- i) To enhance learner's communication skills by giving adequate exposure through classroom teaching and language lab in listening and speaking skills and the related sub-skills.
- ii) To create learner's confidence in oral and interpersonal communication by reinforcing the basics of pronunciation.
- iii) To help learners to recognize and make use of sentence structures in spoken English.

## **Course Outcomes**

Students will develop functional knowledge of English. They will be confident at Listening (comprehending), speaking, reading and writing skills. Students will demonstrate the oral communication skills needed to participate in a conversation that builds knowledge collaboratively: listening carefully and respectfully to others' viewpoints; articulating their own ideas and questions clearly; and situating their own ideas while facing real life problems. Thus, students will be able to increase confidence in speaking publicly. Students will be able to prepare, organize, and deliver an engaging oral presentation. Students will become accomplished and active readers. They can appreciate ambiguity and complexity, and who can articulate their own interpretations. Students will be able to write effectively for a variety of professional and social settings. They will practice writing as a process of motivated inquiry. They will demonstrate an ability to revise for content and edit for grammatical and stylistic clarity. And they will develop an awareness of and confidence in their own voice as a writer.

**4. Advantages of the Course** Today, functional knowledge of English is one of the most prized possessions. This course will help the learners to be a versatile communicator. In every profession, the people good at English are on high demand. English is window on the modern world hence the knowledge of English will make the learners fit to survive in this ever competitive world. Further, it will broaden the horizons of the seekers of higher education to avail the new opportunities in every walk of life.
