

## Laptop Awareness Camp

**Date: 28-August-2019**

### **Objective:**

Digital literacy requires a practical knowledge of current information and communication technologies and an understanding of how they can be used at college, at home and in the workplace.

From the academic year 2018-19 our department has taken initiative to organize laptop awareness programmes. The laptop awareness camp is organized on 28<sup>th</sup> August 2019 for all teachers and students in the Auditorium of college.

The objective of this laptop awareness camp is to aware all the students and teachers in the campus about the importance of laptops. This camp enables them to take advantage of demonstration of various models of Hp laptops and various finance schemes for them.

### **Resource persons:**
