

# Rajarshi Shahu Mahavidyalaya (Autonomous), Latur

Academic Year (2019 to 2020)

## Report of Department of Mathematics

Particulars	Details
Name of activity	Research Project Writing
Beneficiaries of activity	UG & PG
Dates ( From -To )	31 <sup>st</sup> July 2019
No of participants	57 + 6 Staff
Details of Activity	  <p>PROJECTS FOR M.Sc. MATHEMATICS J.N. Salunke</p> <p>For a project, select a 'topic' with title which is not in syllabi whatever you have learned. For that topic, refer standard books on it, or research papers or information from internet or all of these. Topics are available as chapters or sections in standard books. Some of books may be texts, which you have already learned. You may collect materials from research papers or articles using internet facility, library etc. After selecting topic, collect available material on it and arrange in the form:</p> <p>Introduction: containing definitions, concepts, results already known, which are included in syllabi learned by you and which are applicable to understand and establish in next sections. Literature survey with historical survey may be done.</p> <p>Main Part: contains definitions (if any), lemmas, theorems.</p> <p>17 15 14 13</p> <p>REDMI NOTE 6 PRO MI DUAL CAMERA</p> <p>REDMI NOTE 7 PRO AI DUAL CAMERA</p> <p>2019/7/31 12:42</p>

Outcomes :-

A Guest talk by Prof. Dr. J. N. Salunke on “Research Project Writing” on 31<sup>st</sup> July 2019.
