Title: Teacher day celebration.

Organizer: Dept of Botany

Date: 05/09/2018

Venue: Jeevak Laboratory

Introduction:

A teacher is a friend, philosopher, and guide who holds our hand, opens our mind, and touches our heart. The contribution of a teacher cannot be ignored at all.

In many countries across the world, teacher's day is a special day where teachers of schools, colleges, and universities are honored specially.

In India, the Teacher's Day is celebrated on 5th September and this tradition started from 1962. This is the when Dr. Sarvepalli Radhakrishnan was born.

He was a philosopher, scholar, teacher, and politician and his dedicated work towards education made his birthday an important day in the history of India.
We remember the great work of this exemplary person on this day.

Objectives of the Programme / issues addressed:

To celebrate the role played by teachers in community upliftment.

To recognize the central role teachers play in nurturing and guiding infants, children, youth and adults through the lifelong learning process.

Details of Participants: 40
