

The Annual Quality Assurance Report (AQAR) of the IQAC

Name of the Institution : Rajarshi Shahu Mahavidyalaya,

Latur - 413 512 (Maharashtra)

Year of Report : Academic Year 2003-2004

PART "A"

- What is the plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and what is the outcome by the end of the year ?**

In the last academic year (2002-2003) NAAC has assessed and accredited our college and has given us 'A' grade with an institutional score of 88.25%. The NAAC Peer Team, which visited our college, has offered us some suggestions for further growth and development. We have decided (even before we received your letter regarding the creation of IQAC) to follow these guidelines in the beginning of this academic year (2003-2004) for quality enhancement and we are proud to say that we have successfully implemented / followed, to a large extent, these recommendations. These include :

- Constitution of a research committee to plan, coordinate and monitor research activities of the institution as a whole.
- Establishment of Health Centre.
- Upgrading of U.G. Sanskrit and Computer Science & I.T. departments into P.G.
- Our Zoology Department is now recognised as a Research centre by our parent university.
- Yoga classes were conducted for female students.
- Some of the Teachers took training in "Yoga and Pranayama" through the Art of Living Foundation, Bangalore.
- In order to develop sports facility at our newly acquired 17 acres of land, we have submitted a proposal to the Ministry of HRD, Govt. of India. A team consisting of Management Members, Principal, Teachers of Physical Education visited stadium at Hyderabad and had consultation with Sports Authority regarding the construction of sports complex at our newly acquired land.
- Establishment of Health Centre.
- A canteen is provided.

PART “B”

❑ **Activities reflecting the goals and objectives of the institution :**

Though the college follows the university syllabi, the curriculum reflects the mission and goals of the college viz., traditional values, self-employment and job-oriented courses and courses with development of scientific temper. The college consciously encourages the teachers to get elected / selected on various bodies like Board of Studies, Academic Council, Management Council, etc. to act as leaders in policy decision of higher education and in framing of curricula.

We are proud to say that “Maharashtra Andhashraddha Nirmoolan Samiti” (an NGO working for the inculcation of Scientific temper and against superstition) is an integral part of our college. Our office superintendent Shri M.V.Bavge, Prof. O.N.Madansure and our Management member-cum-former Principal A.S.Jadhav are very active members of this NGO. In this academic year, they have approached nearly 75,000 teachers and students. They give demonstrations. They have organised these demonstrations voluntarily not only in Maharashtra but also in Madhya Pradesh.

❑ **New Academic Programme Initiated (UG & PG) :**

B.Lib; M.A.(Sanskrit); M.Sc. (Computer Science)
