

The Annual Quality Assurance Report (AQAR) of the IQAC

Name of the Institution:

Rajarshi Shahu Mahavidyalaya, Latur - 413 512 (Maharashtra)

Year of report: 2010-11

Part - A: The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year:

In the quality advisory committee (QAC) meeting held on 20.04.2010, teaching, non teaching and management members with outside advisors unanimously decided to implement different merged schemes sanctioned by UGC under XIth plan and continue the existing schemes.

- i) It was decided to start Day care centre and Career counseling cell under UGC XIth plan
- ii) It was decided to start the Certificate course on plant tissue culture.
- iii) Remedial coaching scheme for entry into services for SC/ST and minorities student be continued
- iv) QAC also stressed on the implementation of suggestions made by NAAC, RAR Peer Team particularly in Teaching, learning and Evaluation.
- v) It was also decided that all computers should be connected in a network
- vi) It was decided that each department should prepare a value added course
- vii) It was also decided to send the final Report of CPE IInd phase - Ist Term report to UGC and submit new proposal of Rs. 50 Lakh for continuation of CPE IInd phase IInd term to UGC.
- viii) It was also decided to organize National conferences /workshops/ Seminars in the subjects of Mathematics, Zoology and fishery Science, English, Economics, and Sanskrit,
- ix) A workshop on Capacity building of Women Managers in higher education (Sensitivity awareness and Motivation) was decided to organize for which proposal has already submitted to UGC.

- x) QAC suggested sending the proposals to UGC for enrichment of sports facility.
- xi) It was suggested for making collaborations/ MOU's with foreign University/ Institutes / Colleges in order to open International avenues.

We are happy to note that we could start the day care centre, career counseling centre and certificate course in plant tissue culture as decided in IQAC meeting.

As decided we have implemented suggestions made by NAAC-RAR Peer team with respect to teaching, learning and evaluation in a right spirit. At the same time we have also connected all computers in a network, submitted the proposals for value added courses of four departments.

In the month of December 2010, a final report of CPE Scheme was prepared and sent to UGC, New Delhi. Also a proposal for continuation of CPE in IInd phase. IInd term was drafted and presented before expert committee of UGC on 30th March 2011. We are happy to note that UGC has considered our CPE proposal and sanctioned Rs. 50 Lakh in the XIth plan period for development of earlier star and beneficiary departments.

We are glad to inform that, we have received sanction for arranging Six National conferences from UGC WRO New Delhi. Out of these five national conferences were organized successfully. They are

- i) National Conference on English Language today. (27-28-29 Dec 2010)
- ii) National seminar on Advances in Complication Mathematics (23-24 Feb 2011)

1. Activities reflecting goals and objectives of the institution:

Pursuit of Excellence is the mission of our institution. We, strictly adhere to transparency in the conduct of examinations and in financial matters. . Our college has completely banned private coaching by our teachers, so that they can devote all their energy for the development of the college. It is a matter of pride for all of us that in our college, selection of teachers is done on the basis of merit alone. Every year one degree college teacher, one junior college teacher and one non- teaching staff member is honoured by the management with "Shahu Bhushan" award. This is a glorious tradition followed by us In order to develop overall personality of the students, we regularly arrange Shahu Lecture series on socially relevant subjects.

In the academic year 2008-09 college has created orphan fund amounting to Rs 11 Lakh in honour of our retired Principal Dr. R. L. Kavle and a fund in the name of Adv. Narayanraoji Patil, Secretary of the Management for rural background students amounting to Rs .12000 per year . All the expenses of four orphan students and 12 rural students were borne by the college in this academic year.

We have collected Rs16 Lakh under Earn and Learn scheme from alumni and well wishers of our former Principal A.S. Jadhav and the scheme is run under his name. Nearly 60 needy students take benefit of this scheme every year. In addition to these schemes, fee concessions are given as and when it is found necessary.

A set of special study material is given to meritorious students. We also run coaching classes for various Competitive examinations under "Shahu Prabodhini" In collaboration with an NGO "Flight Cadet Prasad Shendge Memorial Trust" lectures of Army Personnel are arranged every year. As part of community services, we organize through NSS, NCC units, Vivek Vahini, Andhashraddha Nirmulan Samiti and students associations, various socially useful activities such as blood donation, tree plantation,

rural cleanliness drive, health and hygiene in rural areas and in the slums of Latur township.

For the welfare of the employees, we have Employees Co-operative Credit Society which gives loans on concessional rate. An Employees' Welfare Fund is also in operation.

We regularly organize blood donation camps in collaboration with Bhalchandra Blood bank and Govt Civil Hospital through our various students associations and support units.

2. New academic Programmes initiated (UG & PG) :

A certificate course on plant tissue culture has been successfully started and a proposal to start an additional division of M.Sc. biotech has been submitted to state government.

An additional division for B.Sc on Non grant basis has been started. C.A foundation course (CA-CPT) for college students has been started .

3. Innovations in curricular design and transaction:

- Dr . E. U. Masumdar (Phy), Prof. S. N. Shinde (Botony), Prof. N. S. Pimple (Maths) Smt. G. Shailja Somdev and Prof. Anuja Jadhav of English, Dr. Shobha Kulkarni, Dr. Pallavi Patil and Prof. S. R. Chavan of Hindi, Prof. M. R. Patil (History) Dr. S. P. Bagal (Economics), Prof. B. B. Sanap , K. I. Momin , Dr. R. S. Birajdar of chemistry, Prof. Bharat Deshmukh (Marathi), Prof. S. T. Mothe and Dr. P. N. Sagar of commerce have actively participated in syllabus framing workshops organized by our parent University.
- Dr. S. R. Gundekar acted as Resource person in the workshop on syllabus framing of B.A. III Marathi at Jaykranti College, Latur (15 Jan 2011)

- The following student projects have been undertaken under various courses:

Sr.No.	Course Name	Details of project work at /on
1	M.Sc. Photonics	1) Quality Photonics Hyderabad 2) Sterlight opticals, Aurangabad.
2	B.Sc. III Botany	Induced polyploidy in wheat
3	BCA VI Sem.	Project work on I.T. (37 Students)
4	B.Sc (CS) VI Sem.	Project work on computer science (30 Students)
5	B.Sc. B. T. (III)	Project work on Environmental studies (34 students).

- **In addition to above activities we follow the following regular schedule**
 - Annual Teaching Plan: At the beginning of the academic year Annual Teaching Plan is submitted by every teacher for the subject(s) taught by him/her.
- (i) Daily Teaching Report: Daily Teaching Report is maintained by the teachers in their academic diary provided by the college to every teacher.

- (ii) Monthly Teaching Report : At the end of every month, the daily teaching report maintained by the teacher is verified by the Vice Principal of concerned faculty.
- (iii) Attendance: Attendance of students is recorded daily in the attendance book and the names of students whose attendance is below 75 % are submitted at the end of every month to the Vice Principal for necessary action.
- (iv) Term Tests : Term Tests were conducted during the first term (before Dipawali) and in the second Term on the basis of the syllabus completed during the said term(s)
- (v) Seminars: Seminars of P.G. students (M. Com) were arranged at the end of every semester and the performance of the students was evaluated by the concerned teachers.
- (vi) Pre annual Examination: Pre annual examination was conducted and meritorious students were given cash prizes. A set of text books for the entire year is given to the students based on their result to meritorious students. Results were analyzed at coordination meetings. Cash Prizes were given to toppers in the examination. Attendance Reports and test marks were sent every month to student's parents through office.

In addition to this, Blood Donation Camp, Elocution Competition, Rangoli Competition, Handwriting Competition were organized.

At the beginning of academic year, last year's results are analyzed in the coordination committee meeting. Finalization of subject combinations is also done in this meeting

Assessment of Teachers by students is done at the end of every year through response sheets and action is taken accordingly. Monthly feedback regarding teaching and syllabus completion is taken and corrective measures are adopted.

4 Interdisciplinary programmers started :

As per our university academic programme, our final year UG students study a theory and a project paper on environmental science.

5. Examination reforms implemented:

University introduced semester pattern for UG Second year, where in Internal Evaluation for 20 Marks per paper is compulsory. For this evaluation college has evolved a mechanism in which more weightage is given to the attendance along with tutorial, unit test and seminars as per university norms.

For Final year UG students term wise two tests and one Pre-Annual Examinations in the month of February for non semester courses and pre semester exams for semester courses are conducted as per university exam pattern. Absent students are penalized while meritorious students are rewarded with cash prizes in these exams.

In the beginning of the academic year, a meeting of staff members is arranged in which, on the basis of previous year result analysis, the students with better academic prospects are identified in each subject and are given special attention towards their progress throughout the academic year. The reasons for poor performance are also identified and rectification measures are chalked out. A monthly attendance report and term wise test results are communicated to parents.

6. Candidates qualified NET/SLET/GATE:

- Prof. Gaurav Jevlikar qualified NET Exam in Public Administration
- Miss Jyoti Mandge (Former student of M.A. Sanskrit) qualified SET in Sanskrit.
- Prof. N. D. Deshmukh Faculty in Biotech qualified NET in Microbiology.

7. Initiative towards faculty Development programme:

Prof. D. G. Palke (Chemistry) and Prof Anuja Jadhav (English) applied to UGC for FDP in XI the plan. The committee visited the college and interacted with the two aspirants and permission has been granted .

- **No of Teachers benefited under other Teacher Training Programmes**
