Terms & Conditions:

Particular	Terms & condition
Online registration	1. Registration will be closed one day prior to the webinar date or when it reaches the maximum attendee capacity, whichever may come earlier. 2. Acceptance of last-minute requests to add guests, attendees are at the sole discretion of WhiteCode. WhiteCode can reject, remove attendees, and panelists from the webinar. 3. Unfortunate cancellation of webinars in part or full can be settled with the due return of collected fees to the attendees/college after deduction of taxes and respective service fee. 4. WhiteCode shall not be held responsible for the inability of attendees to join the webinar due to a lack of technology awareness and knowledge of the required tools. 5. Cancellation of registration from participants/College after payment will attract tax and processing fee deductions. 6. All attendee cancellation requests will be rejected if not raised 24 hours before the webinar start time.
Data	1. WhiteCode will provide all the links for PPT which the speaker will present during the webinar As well all the recordings will also be provided by WhiteCode (Recording quality will depend upon the connectivity of the host and the speakers). The loss of recordings due to technical issues is expected. 2. On request, The respected college will get the list of registered and present attendee reports.
Technical support during webinar	1. WhiteCode reserves a right to handle all technical activities during the live webinar session such as but not limited to allow attendees to speak, chat with panelists, chat with attendees, unmute panelists, unmute attendees, mute panelists, mute attendees, stop video sharing of panelists, request to start the video sharing of panelists, the lower hand of panelists, loser hand of attendee, answer the raised questions, enable poll, showcase poll results, share required links and information with attendees.
Certificate	1. After compilation of the webinar, WhiteCode will issue the certificate to the attendees, there could be a delay in sending the certificates due to unknown technical issues. 2. The certificate will be issued as per information provided by the attendee at the time of registration i.e. Name, Surname and College name. 3. Handling of corrections in the certificate upon requests from attendees will be at the sole discretion of WhiteCode.

Webinar Management	1. WhiteCode is allowed to use the name and logo of the College for the entire process of the webinar, to showcase it on their website under past webinars conducted and for other showcasing purposes. 2. The effect of major changes, additional services, and delays cannot be determined until a final direction has been established. If requirements arise for additional work or scheduling changes not reflected in this estimate, we will provide an updated estimate when the final direction has been approved. 3. Cost and expense estimates are appropriate for 30 days from the date of this proposal. 4. A stable internet connection is required for the better use of the webinar. The organizing team is not responsible for the attendee's inability to access the webinar. 5. The Zoom software/app is to be used for the webinar. The selection zoom application for this webinar is taken with the best of our knowledge and good intent to provide a better video sharing facility. Any issue/s occurring due to the installation of a zoom application on attendees' local devices is their sole responsibility. 6. WhiteCode is allowed to use third-party software and services for better delivery of the webinar program.
Email	WhiteCode uses SendGrid for the better delivery of emails to the attendees and panelists.
