i. Title

National Webinar on Higher Education in India Digital Transformation: A Progressive Approach

ii. Introduction

India has third largest higher education system in the world. The spread of COVID-19 has disrupted the higher education system along with temporary closure of schools and colleges. Online education is an option but stakeholders are unaware of it. Therefore, in order to create awareness about the digital transformation in higher education, a national webinar was organized by IQAC of Rajarshi Shahu Mahavidyalaya (Autonomous), Latur on 09th June 2020.

iii. Objectives of the Program/ issues addressed

- To create awareness about digital transformation in higher education.
- To acquaint teachers about online admission process.
- To familiarize teachers about online examination process.

iv. Details of Participants

The webinar was organized for administrators, faculty members and research scholars. 670 participants attended the webinar.

v. Brief Summary of Events/ Sessions

Dr. A.J. Raju introduced the webinar. Mr Yogesh Pawar, Director, DigitalEdu IT Solutions Pvt. Ltd. was the resource person. Mr. Yogesh Pawar in his speech discussed COVID-19 and its impact on higher education. The newly emerged challenges for staff, students, management, ways of efficient communication during lockdown, online admission process, online teaching-learning process, online evaluation of students through quizzes, etc are the some of the highlights of his speech. Dr. Mahadev Gavhane during his presidential address discussed importance of online education in the wake of COVID-19 pandemic. Dr. O.V. Shahapurkar proposed the vote of thanks.

vi. Conclusion, with Feedback on the Program

The webinar has created awareness about digital transformation in Indian higher education system. The confidence of teachers towards online admission and examination process was found to be enhanced.
