## **B) Report**

**i. Title:** Awareness Workshop on Energy Conservation Under the Scheme of Ujjwal Bharat-Ujjwal Bhavishya

### **ii. Introduction**

The demand for power supply is increasing on a larger scale and it is high time to create awareness about use of renewable energy sources. As a part of 'Azadi Ka Amrit Mahotsav' Awareness Workshop on Energy Conservation Under the Scheme of Ujjwal Bharat-Ujjwal Bhavishya was organized in collaboration with Maharashtra Energy Development Agency (MEDA). The workshop was intended for the staff members of the college.

### **iii. Objectives of the Program/ issues addressed**

- To create awareness about energy conservation among staff members.
- To provide information about various schemes of Govt. of Maharashtra on renewable energy sources.
- To encourage staff members to adopt renewable energy sources to meet their power requirements.

### **iv. Details of Participants**

111 faculty members (38 female and 73 male) attended the awareness workshop.

### **v. Brief Summary of Events/ Sessions**

Dr Mahadev Gavhane was the Chairperson, Mr D.V. Kulkarni, Managing Director, MEDA, Regional Office, Latur was the Chief Guest and Mr Kedar Khamitkar, Energy Auditor, Latur was the Resource Person for awareness workshop. Prof. S.N. Shinde presented the concept note. Dr A.A. Yadav introduced the chief guest and resource person. Mr. D.V. Kulkarni started his speech with importance of renewable energy sources. He said India will achieve a target of 500 GW of non-conventional energy generation by 2030. According to him India can become superpower of the world through energy and environment conservation. He introduced various schemes of Govt. of Maharashtra on renewable energy sources.

Mr. Kedar Khamitkar focused on the point 'We use less energy but waste more energy'. He highlighted the simple initiatives for energy conservation at home. He explained the importance of 3 R's of environment Reduce, Reuse and Recycle, Ban on single use plastic, energy management pyramid, save energy, use of bio-waste for energy generation, etc. The interactive session in the end cleared the doubts in the minds of participants. Dr Mahadev Gavhane in his presidential address said that energy saving is the national work and everybody should utilize electricity optimally. At the end energy conservation pledge was given to participants. Dr Sachin Bhandare anchored the workshop and proposed the vote of thanks.

#### **vi. Conclusion, with Feedback on the Program**

Awareness Workshop on Energy Conservation Under the Scheme of Ujjwal Bharat-Ujjwal Bhavishya created awareness about use of renewable and non-conventional energy sources. The participants cleared the doubts. The understanding about use of renewable and non-conventional energy sources was significantly improved.
