B) Report

i. Title: Training Programme on Learning Management System Portal

ii. Introduction

To promote ICT-enabled teaching and learning, the Internal Quality Assurance Cell (IQAC) of Rajarshi Shahu Mahavidyalaya, Latur organized a Training Programme on Learning Management System (LMS) Portal on 18 June 2026 at the CyberGenius Computer Laboratory. The programme was conducted for all teaching staff as per the schedule announced by IQAC.

The programme was inaugurated by Dr. Mahadev Gavhane, Principal, in the presence of Prof. Sadashiv Shinde, Vice-Principal. They appreciated the institution's initiative in developing its own LMS portal and encouraged faculty members to use it effectively in teaching.

The training introduced the institutional LMS Portal, developed by Mr. Kuldip Shinde, to support digital teaching, content sharing, and continuous assessment.

iii. Objectives of the Program/ issues addressed

Objectives:

- To familiarize faculty members with the LMS Portal.
- To train teachers in uploading and sharing study materials such as text, PDFs, and video lectures.
- To enable faculty to conduct online unit tests.
- To promote blended and self-paced learning.
- To strengthen continuous assessment through technology.
- To support digital teaching practices in line with NEP-2020 and IQAC initiatives.

Issues Addressed:

The programme addressed the need for:

- A structured online assessment system.
- Better student engagement beyond the classroom.
- A common platform for managing academic content.
- Effective monitoring of students' learning progress.

iv. Details of Participants

136 Teaching staff (53 Female and 83 Male) participated in the Training Programme

v. Brief Summary of Events/ Sessions

Mr. Kuldip Shinde, developer of the LMS Portal, explained its design, features, and importance in supporting digital education. The resource persons demonstrated how faculty members can create and share learning materials, including text notes, PDFs, and recorded video lectures.

The participants also received hands-on training on preparing online unit tests, creating question banks, and publishing assessments for students.

A key highlight of the programme was the demonstration of interactive video lectures, where online questions can be inserted at different points in a recorded video. Students must answer these questions before continuing the lecture, making learning more engaging and improving understanding.

vi. Conclusion, with Feedback on the Program

The programme concluded with a summary by Dr. Sachin Kulkarni, NAAC Coordinator, who highlighted the importance of the LMS Portal in strengthening digital teaching and learning. He noted that the portal, developed by Mr. Kuldeep Shinde, reflects the institution's commitment to technology-enabled education and aligns with the goals of NEP-2020, Outcome-Based Education (OBE), and IQAC quality initiatives.

Dr. Kulkarni thanked Dr. Mahadev Gavhane, Principal, for his continuous support in promoting digital transformation. He also appreciated the efforts of Mr. Kuldeep Shinde, the resource persons, IQAC members, and all faculty participants for making the programme successful.

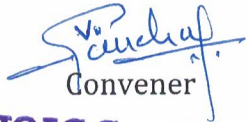

The participants appreciated the portal's user-friendly features and found the training highly useful. They expressed confidence that the LMS Portal would enhance teaching, improve student engagement, and support effective digital learning across the institution.
