Activities organized in college

A play on life of Lord Buddha on celebration of Bharatratna Dr. Babasaheb Ambedkar Jayanthi (14 April 2017)

The Cultural unit hosted **The First National Film Festival, "NOMAD"** on **9th January 2017** in collaboration with National Alliance Group For Denotified and Nomadic Ttribe (NAG-DNT) and Maharashtra students federation. Nomadic tribes (**NT**) are homeless, migrating communities who are misunderstood as criminals from ancient periods and are kept away from social recognition and major developmental programs even today. Students visited neighboring NT communities before the film festival, studied their livelihood, cultures and traditions to produce awareness among society. The festival screened five short films produced by different groups dedicated to this movement. The festival has got coverage of news papers and magazines, too.
