Activity Report of One day State Level Workshop on
'Intellectual Property Protection & Patent Filling'

Date : 21.04.2017

One day State Level Workshop on 'Intellectual Property Protection and Patent filling' was organised by our college on 21st April 2017 at 11.00 am in V.L.C. Hall for faculty and staff. The resource person for this workshop was renowned scientist Dr. M.K. Dongare, National Chemical Laboratory, having 08 patents to his credit. For this workshop 98 delegates were present.

The Inaugural function was conducted under chairmanship of Dr. Gopalrao Patil, Chairman, Shiv Chhatrapati Shikshan Sanstha, Latur. In the beginning Music Department student presented welcome song followed by deep prajwalan. Leamed resource person made a power point presentation on topic of workshop.

He outlined preface to Intellectual Property (IP) and its rights, need for protection of IP. Also he put his views on various forms of IPs and rights of the IP owner. He illustrated rights for tangible property and IPR. He made the delegates acquainted with the patent acts and has given few representative examples of the crimes occurred and the legal actions taken against the culprit institutes. The resource person cleared that products as well as innovations can be registered for patents. He explained the concept underlying IP management and highlighted innovator institutes in India. In IP management he explained that it can increase revenue through litigation, through licensing and renting the IP. Furthermore, he cleared that the IP enhances the reputation/prestige of individual and hence of the institute. Also, he illustrated various tools used in IPR. He outlined various types of IPR such as Trademark, Copyrights, Industrial Designs, Patents, etc. He made the faculties familiar with the concept of patents, locations to file patents and rights conferred by the patents. He explained three integral patentability factors namely novelty, non-obviousness and industrial applications with example. In his gracing talk he explored the ways to file patent applications in foreign countries, conventions and patent filling procedures, etc.

After the invited talk, program chairperson Dr. Gopalrao Patil gave presidential address.

At last Convener, Dr. S.J. Phule, summarized the remarkable facts and achievements of the workshop and proposed the vote of thanks and concluded the workshop.
