RSML Minority Cell
Annual Report 2020-2021

Introduction:

Minority cell of the college was established in academic year 2013-2014 with the purpose of empowering the minority communities in the college.

In the Rajarshi Shahu Mahavidyalaya academic community, the College Minority Cell stands as a vibrant mosaic, celebrating the rich tapestry of diversity that defines us.

Committed to fostering an inclusive environment, our cell serves as a crucible for dialogue, understanding, and empowerment among the diverse ethnic, cultural, and social threads that weave through our college fabric.

RSML minority Cell help for achieve holistic development to minority students from the Christian, Muslim, Jain and other communities

At the heart of our mission is the recognition that our differences are not only our strength but also our collective identity. The College Minority Cell is a sanctuary for students from marginalized backgrounds, providing a platform where voices are heard, cultures are shared, and experiences are valued. Through an array of initiatives, we strive to create an atmosphere that transcends mere tolerance, aiming instead for genuine appreciation and mutual respect.

Our journey is not just about acknowledging disparities but actively dismantling barriers that hinder the full realization of potential. We believe in the transformative power of education, and through the College Minority Cell, we aspire to create opportunities for every student to thrive, irrespective of their background.

As we embark on this expedition of inclusivity, we invite each member of our college community to join us in cultivating an environment where diversity is not just acknowledged but embraced. Let us build bridges that span the gaps between cultures and sow seeds of understanding that will flourish into a garden of unity.

Objectives:

The objective of RSML Minority Cell is to promote diversity, equity, and inclusion within the college. This specialized cell focuses on addressing the needs and concerns of students belonging to minority communities, which may include ethnic, religious, linguistic, or other underrepresented groups.

The primary goals of a College Minority Cell typically include:

- To ensure equal opportunities for education of minorities.
- To collect reports and information of government of Goa and UGC's orders on various aspects of education, employment of minority students.
- To coordinate with other college cells and committee such as the mentoring cell, placement cell, student welfare council etc.
- Two faculty members, at least one of whom will be from a minority community.
- One of the faculty members will be the chairperson of the cell.
- College director of physical education and sports.
- Protection from discrimination and persecution.
- Ensuring an environment where students from these categories feel safe and secure.
- Making students from these communities aware of the various scholarships.
- Motivating and assisting students from these communities to apply for the various scholarships such as Goa, Govt. of India and UGC.
- Inclusive Environment: Foster an inclusive and welcoming atmosphere within the college campus where students from diverse backgrounds feel accepted and valued.
- Community Engagement: Encourage active participation of minority students in college activities, clubs, and events, promoting their integration into the broader college community.

In summary, the College Minority Cell plays a crucial role in creating an inclusive and supportive educational environment where students from all backgrounds have equal opportunities to thrive and succeed.

The Nature of Activities of the RSML minority Cell:

- To collect reports and information of State Government and UGC's orders on various aspects of education, employment of minority students.
- To circulate State Government and UGC's decisions about different scholarship programs.

- To communicate with the students and motivate them for better future planning.
- The Cell is committed to provide assistance to the minority students through counseling, personality development, development of communication skill and preparatory classes for professional and employment purposes etc.
- The Cell is actively engaged in coordinating and resolves the problems in the matter of conduct of coaching and other measures with a view to see that the education system succeeds in bringing to a level quantitatively as well as qualitatively indistinguishable from the level of the rest of the society.
