**Subject** – Acceptance of your final report of the progress of research project assigned to you by us.

**Ref.:** Our letter of intent for contractual research dated 06/01/2021.

Dear Sir,

We are pleased to receive the final progress report of the contract research project entitled, “Production of microbial metal chelators and its potential use as bioinoculants as plant growth promoters.”

The research work is invaluable to us; however, we will be forwarding the cheque of Rs. 50,000/- (Rs. Fifty thousand only) in due course towards the research and development charges, mutually agreed by both of us.

Kindly acknowledge the receipt of the cheque.

An association of our company with the reputed academic institute like Rajarshi Shahu Mahavidyalaya (Autonomous), Latur is of prime importance to us. Looking forward for the long-term association with you.

Thank You.
