To,  
Dr. Sachin S. Kulkarni,  
Head, Department of Biotechnology,  
Rajarshi Shahu Mahavidyalaya (Autonomus), Latur  
Latur.

Subject : Providing Consultancy in Municipal Solid Waste Management.

Dear Dr. Kulkarni,

M/s Sagar Motors, Latur in association with Janadhar Sevabhavi Sanstha, Latur is willing to explore the new business opportunities in municipal solid waste management in the state of Telengana and Andhra Pradesh. You being a expert in given area, are requested to provide us your consultancy on exploring the given opportunity, preparing the feasibility report of various solid waste management projects in the state, Preparing the Detailed Project Reports of each project under our consideration, presenting the same before the state/ local municipal authority and providing your technical consultancy once the project is awarded to us.

In the next week we have organised the meeting with the local municipal authorities of Karnool and Kakinada districts of Andhra Pradesh, in given regard you are requested to join our team for the period of a week from March 1 to March 6, 2021.

During your visit you will be provided with accommodation with food and your travelling charges will be paid through us. Also once the project is awarded to us through your efforts you will be paid the consultancy charges based on the timely duties performed by you during the execution of the project.

Looking ahead for your acceptance of this offer and joining our team on given tour.

Thanking you.

Sincerely yours,

**Sagar Motors**

**Partner**
