Respected Sir,

We wish to collaborate with you for a Research Facility namely Characterizations of DSSC using **Solar Simulator**. With your contribution for the above mentioned facility we can jointly explore research publication endeavour in reputed journals in nearby future. We hope that by treating Rajarshi Shanu Mahavidyalaya (Autonomous), Latur as a sister institute you will accept our request.

Looking forward to your kind response.

With Best Regards,

Dr. Kundan C. Tayade...
Asst. Prof., Dept. of Analytical Chemistry,
RSM, Latur

Dear Dr. Tayade

Looks good and I am pleased to provide consent for using solar simulator available in this for your project work. Merry Christmas

with best wishes

Prof. (Dr) Rajaram S. Mane
Director,
Innovation, Incubation and Linkages
Swami Ramanand Toorth Marathwada University, Nanded, India
