B) Report on the National Webinar on Soft Skills for Students in Higher Education (महाविद्यालयीन विद्यार्थ्यांसाठी जीवन कौशल्ये)

i. Report on the National Webinar on Soft Skills for Students in Higher Education (महाविद्यालयीन विद्यार्थ्यांसाठी जीवन कौशल्ये)

ii. Introduction (with details of name of programme, organizer, date venue, etc)

The National Webinar on Soft Skills for Students in Higher Education was organized on 23 August 2020 to train the student about soft skills. The webinar was organized online through the Zoom platform and broadcasted through YouTube. Principal Dr Mahadev Gavhane was the Chairperson for the webinar, Shri Sanjay Magar, Soft Skill Trainer was the resource person. Vice-principal, Dr A J Raju put the concept note of the webinar. Dr Abhijit introduced the

resource person and proposed vote of thanks. 429 students and staff participated in the webinar.

iii. Objectives of the Programme/ issues addressed

This webinar aimed to provide training on Soft Skills and Personality Development of students in higher education.

iv. Details of Participants (number, profession, geographical representation, sex ratio, etc; a separate list can be attached as Appendix with the full details if necessary)

Around 429 students and staff including male and women participated in the webinar.

v. Brief Summary of Events/ Sessions

Session I: **Soft Skills for Students in Higher Education**

Resource person: **Shri Sanjay Magar, Soft Skill Trainer**

Shri Sanjay Magar started the session with the hard and soft skills needed in higher education. He thoroughly highlighted the importance of self-awareness, limitations and potentials. He emphasized on problem solving skills and provided the creative tips to improve the problem solving skills & techniques, develop more logical ways of thinking, and training the brain to do more. During last part he highlighted the decision making skills as an ability to choose a good option out of two or more alternatives. He also discussed “How to Use the Six Thinking Hats Model”. He engaged the session through effectively by conducting poll in between.

vi. Conclusion, with Feedback on the Programme

The webinar has helped to improve the ability to solve problems. This webinar will help in nation building through analytical and critical thinking abilities of students in higher education.
