Objectives/ issues addressed:

The objective of this workshop is to make counseling of the FY students who are the fresher's in the field of IT about various career opportunities in IT industry and how to prepare for applying jobs in IT industry.

The resource person had guided on how to define our own path in IT industry, how to have hands on market demandable programming languages, also focused on recent areas such as AI, Robotics, Android, Animation, various job search platforms, tech skills, sites for free online education, interview preparation, how to improve communication skill, technical skill etc.

Outcome of the workshop:

This is truly an interactive session as students of FY have participated actively in this workshop and get benefited with the knowledge shared by our alumni and resource person of workshop Mr. Vivekanand Naragude.
