### Criterion VI - Governance, Leadership and Management

#### Key Indicator – 6.2 Strategy Development and Deployment

**6.2.1 The institutional perspective plan is effectively deployed and functioning of the institutional bodies are effective and efficient as visible from policies, administrative setup, appointment, service rules, and procedures, etc.**

#### Infrastructural Expansion as per the Perspective Plan

##### Infrastructure expansion:

The management of the institution is very keen in providing facilities according to the requirements of various departments and support units. The institution has continually expanded both physical and digital infrastructure, to excel at stakeholder's expectation and provide a conducive environment for the holistic development and progress.

The Strategic Goal III of Perspective Plan of the institution is "Improve the campus atmosphere and facilitate more students, researchers, and library users by expanding the institutional infrastructure". In regard to this, the institution strives to fulfill and upgrade the infrastructural requirements as and when such need arises. Various committees such as Timetable Committee, Purchase Committee, Library Committee, etc. are constituted to plan and ensure that the available infrastructure is in line with its academic growth and is optimally utilized. The institution is endowed with renovated classrooms, laboratories, hostel, health care centre, Gymnasium, Swimming pool, sports complex and playground. The infrastructure augmentation done during last five years (2018-19 to 2022-23) is reflected in the following cases:

##### 1. Administrative Infrastructure

The Principals Chamber, Management Hall, Examination Cell and Conference Hall have been renovated with well-furnished amenities. The Administrative Office has been renovated with new furniture.

##### 2. Teaching Learning Infrastructure

The 68 classrooms with ICT facilities. The classrooms are equipped with new desks.
