Our Mission

From the Desk of the Principal

Dear Students,

The **Information Technology** is a most sought after stream of study and challenging career field.

I welcome you wholeheartedly to our **Information Technology Department** offering varied courses under CBCS pattern and encourage you to develop requisite skills.

The college has a longstanding academic tradition of excellence in higher education. It has crossed several milestones since its establishment in 1970. It has the distinction of being the first institution in our region going for NAAC Ist, IInd and IIIrd cycle accreditation, academic audit by parent university with 'A' grade, bagging NIRF -2017 rank in rank band 100-150, CPE phase III status of UGC, FIST Support by DST.

In order to keep pace with global trends and demands, the college has introduced **Information Technology and Computer Science** as a separate stream of learning in the year 1999. At the same time, by shifting our focus from **result cum merit emphasised approach** to **employability emphasised approach**, we have opted for academic autonomy in the year 2013 and completed six years of journey under autonomy. The College has introduced **CBCS pattern** of courses from the academic year 2017-18. Under this pattern students will study along with core courses, the courses like **AECC, SEC and DSEC**.

The college always strives to provide the best educational facilities to its students. Our **Information Technology (I.T.) Department** provides the finest environment for teaching, learning, research, innovation and character building. The department is taking concrete steps for its academic progress. The department has established five *state of the art* computer laboratories along with separate laboratory for e-learning facility.

Academic autonomy as a distinctive feature of our college, several need based courses have been introduced to match the pace with job market. The Placement Cell of the college is made functional under an active placement officer. So far IT companies like TCS, CAMS, Wipro, Getlogic and Digi-shell IT companies and ICICI, Axis, HDFC and Fino pay Tech banks have taken keen interest to organise campus interviews at our college. Every year students of IT department are get placed in reputed IT companies like TCS, Infosys, Wipro, MindTree, Capgemini, Sagitech, etc,

Our IT Department offers **BCA and B.Sc. (C.S.)** programme on self financial basis. We have incorporated *C#, php and Asp.net* technologies along with "Android Operating System and Mobile Application Development", Python and Type Scripting Courses in syllabi.

During COVID-19 pandemic, it is important that, learning should be continued. Our college has taken initiative to provide you online teaching and learning platform with online resources to keep students safe and healthy at home. The Department has designed and successfully run Online Certificate Courses "Python Programming", "Software Development using C#" and "Advanced Techniques in Computer Network".

I am very much confident that, the students of **Information Technology Department** with their wide exposure to academic fields will leave a mark of their service, wherever they go, by exhibiting their sound academic knowledge, unimpeachable character, sense of discipline and commitment. Sincerity, hard working and dedication are our keys to success.

We promise you a great learning experience.

Wishing you best luck in your chosen career.

(Dr. M.H.Gavhane)
Principal

About Our College

Vision :

- Pursuit of excellence in higher education to make our students globally competent with humane values.

Mission :

- Enable students to develop as responsible citizens.
- Provide value and need based education.
- Mould minds of students for their continuous personal and professional growth.

Objectives :

- Produce graduate capable of independent life long learning.
- Provide an environment in which staff and students can achieve their full potential.
- Foster a strong sense of belonging to the institution.

About the College :

Ours is a multi faculty (Arts, Science, Commerce, Information Technology and Biotechnology) Junior, Senior and post- graduate college. It offers various subjects. The Department of Computer Science and Information Technology is established in the year 1999. College is located in the heart of the city. Transparency is maintained in the working of the department.

Staff:

Our staff is highly motivated and dedicated. We have many Ph. D. holders, scholars and experts in their respective disciplines.

Pioneers of Latur Pattern :

We have consistently excellent results both at Junior and Senior college level. We are proud to be the Pioneers of “Latur Pattern” which has become famous throughout Maharashtra.

Result of Autonomous College : The college has maintained Good Track record of result even under autonomous status.

In addition to the curricular activities, the college always arranges different types of extra-curricular activities like educational awareness among students, their personality development, debate competitions, essay writing competitions, **guidance for placement**.

Students having rural background should not lag behind in the present world of cut-throat competition. So we constantly arrange get-together of students-parents and teachers in order to motivate the students, to minimise the communication gap between the teachers and the parents.

Literally as depicted by the symbol of the college i.e., **Phoenix**, we have gone through hours of crisis and successfully reached the present recognition. In the long journey of 50 years “Pursuit of Excellence” has been our motto.

We are proud to say that, our college is the recipient of **"Best College Award"** (Urban Area) for the academic year 2008-09 instituted by Swami Ramanand Teerth Marathwada University Nanded under "Gunwatta Sudhar Yojana". The college Bagged 'B++' Grade by NAAC (Third Cycle Accreditation), 'A' Grade in Academic Audit by SRTM University, Nanded.

NIRF - Ranking : The college acquired Rank in the Rank Band 101-150 under, NIRF - 2017, MHRD, Govt. of India.

NPTEL - Courses : 361 Students and 9 Teachers enrolled for IIT - initiated NPTEL - Courses.

Adarsh Shikshan Sanstha Puraskar :

Government of Maharashtra has started **"Adarsh Shikshan Sanstha Puraskar"** from the year 1999-2000. It's our proud privilege to mention that the college was honoured and conferred with **"Ideal Educational Institutes Award"** for the year 1999-2000. Along with that, some of the staff members are awarded with “Ideal Teacher Award” at various levels.

Receiving Award

Dept. of Computer Science & I.T.

With the advent of computer technology in almost every sphere of life, it is highly sought for starting the graduation course in I.T. discipline. Such courses require continuous upgrading of knowledge and facilities at all the times. The department of Information Technology has taken initiative in starting the need based courses B.Sc. (Comp. Science) and B.C.A.

Facilities:

- State of the Art Computer Center with Internet Access.
- Smart Class Room
- Spacious Auditorium.
- Rich Library with more than 1,91,949 books covering many areas of Computer Science, management and other subjects.
- Well educated core faculty.

Our Specialty :

- a) We have five well equipped laboratories of which four are computer labs and an Electronics lab. In all, 182 computers are available for practical's. Almost all of the "Advanced Softwares, Packages and Operating Systems" are installed on each computer in all the labs. Labs are kept open for students upto 06:00pm to gain hands on experience.
- b) We have a centralised network system for all the laboratories through Giga Switch to gain high speed data connectivity across the LAN.
- c) We have high speed internet connectivity through 100Mbps lease line connection.
- d) We are actively implementing Mentor-Mentee System for the overall development of students.
- e) For an effective teaching learning process, we make use of Smart Class room. Laboratories are equipped with LCD projectors.
- f) We have started subject like Python Programming, Mobile application Development, Aptitude and Reasoning, Personality Development and Interview Techniques, TypeScripting, Data Mining.
- g) We conduct industry academia workshop, seminars, arrange guest lecturers of industry experts, personality development programs for students.
- h) We have a special Placement Cell with an active placement officer along with coordinator of Information Technology Department.

E-Learning Centre and Audio-Visual Unit :

We have a separate E-Learning lab consisting of 50 computers equipped with 100 mbps Leased line connectivity.

We have a full fledged Audio-Visual unit with LCD projector, computer video camera and web camera.
