# Major Achievements

## Message from the Principal

Dear Students and Parents...

Welcome to Rajarshi Shahu Mahavidyalaya (Autonomous), Latur in the academic year 2023-24. Overcoming all kinds of adversities, some highly educated people with a goal-oriented and creative attitude established the 'Shiv Chhatrapati Shikshan Sanstha' in 1968. This institution did a historic job of bringing forth the hidden talent of rural students to the world. Since last 55 years, the organization has maintained endless services for the noble cause of education. Rajarshi Shahu Mahavidyalaya is an exemplary component of this institution.

Dear Students, the college is doing the best for the Cultivation of academic values and Pursuit of Excellence. Record breaking results of Graduation and Post Graduation programmes in the past fifty years are charismatic. It has made Latur an Educational Hub and its academic endeavours are known as Latur Pattern of Education. It has played a key role in filling the huge backlog of education in Marathwada region. Academic credibility is the prime achievement of this college.

We are proud to share the fact that as a part of experimentation and innovation and meet the challenges in the field of education, the college is going to implement NEP 2020 from this academic year. In NEP, traditional boundaries of the academic programmes have been removed focusing skill oriented courses. It will open the new vistas of knowledge where students will be able to study the skill based courses from different branches of knowledge. There students will be able to avail the knowledge from interdisciplinary programs to make themselves versatile to survive in the knowledge society.

The college is the recipient of the Best College Award (Urban) given by our affiliating Swami Ramanand Teerth Marathwada University, Nanded. Besides, the college has achieved 'A' grade in the first two cycles of NAAC accreditation and B++ grade with 2.99 CGPA in the third cycle. Also we are very proud of CPE Phase-III status awarded by UGC. The DST-FIST scheme is also granted by the Department of Science and Technology under the Ministry of Science and Technology, Government of India for the development of physical facilities of the college. Along with the UG programmes in Arts, Commerce, Science, Biotechnology, Information Technology and B.Voc., PG programmes in Economics, Political Science, Geography, English, Pali, Commerce, Computer Science, Biotechnology, Physics, Chemistry, Botany, Mathematics, Microbiology and Zoology are offered by the college. Coaching for various competitive examination is provided by 'Rajarshi Shahu Prabodhini' to make our students competent enough to face the competitive examinations conducted by the Union Public Service Commission (UPSC) and Maharashtra Public Service Commission (MPSC). Similarly, from the last eight academic years, a separate B.A. (CEP) unit has been started to make the students skilled and knowledgeable to go successfully through competitive exams.

The college has a total three separate educational campuses with all the necessary physical facilities which include main campus, Biotechnology campus & Sports complex.

A girls' hostel with all the latest facilities is functioning in the main campus. Principal Anirudh Jadhav earn while learn scheme and Principal Raosaheb Kavle Orphan Student Adoption Scheme are the speciality of the college.

'Library is the soul of our college'. It is fully well equipped with OPAC facility and numerous e-Books and e-Journals are available through the N-List and DELNET. A digital audio library has been established with user friendly software. UGC conferred academic autonomy to the college in 2013-14 and extension to the autonomous status in 2019-20, paving golden opportunities for experimentation and innovations. Due to the academic autonomy, preparation of the syllabus by the experts in their own department, preparing the academic calendar, deciding the admission criteria, planning the examination, evaluating the students by taking the examination on time and timely declaration of the results are done very smoothly at the college level. This has led to an emphasis on creating employment-oriented curriculum and inculcate work culture among students that is relevant to the times. Various projects, seminars and add-on courses have also been started. Autonomy has brought drastic changes in all the methods of examination evaluation. CBCS system has been implemented for UG and PG programmes in all faculties. AECC, SEC, GE, DSE courses are included under this system along with Core Courses. A separate 'Placement Cell' has been established to provide employment through campus drives by national and multinational companies. In the academic year 2022-23, 692 students have been placed in various companies and progressed in higher education.

Numerous alumni of the college are successful citizens. They include government officers, entrepreneurs, lawyers, judges, political leaders and executives in multinational companies and social workers. Our college maintains university, state, national and international level excellence in sports, cultural, debating, oratory competitions and other fields.

The student associations and cells organize various student centered curricular, co-curricular, extra-curricular activities throughout the year for their versatile development.

The bright results of the autonomous college and the employment oriented education system have written its culmination. Dear students, Uniform and identity card are mandatory in college. Discipline has been given the best place in this college to maintain a healthy academic environment. Once again, best wishes for this academic year !

**Dr. Mahadev Gavhane**  
Principal

## About College ...

The college was established in the year 1970. We aim at providing quality education to the under privileged students of the region. In 1978, a history was created as three out of three University merits in UG Commerce were from our institute which brought name, fame and recognition to the institute. Since then, the tradition of merit has been maintained with the motto – '*Pursuit of Excellence*'.

Now, we are known for academic autonomy, plurality, peculiarity and leadership. Our experiments, excellence and the tradition of merit in education have created the '*Shahu Pattern*' of Education. Shahu Pattern is devotion, dedication, consistent and untiring striving by inspired teachers, motivated students helped by hard working non-teaching staff, encouraged with ideas and incentives, non-interference, insistence on idealism, ethical values, excellence in education by the management - all put together makes a driving force - an Engine. Now, it is popularly known as '*Latur Pattern*' of education. This pattern has shaped hundreds and hundreds of toppers in Board and University Examinations specially those coming from rural area and made us one of the premier institutes of the region.

To do innovative experiments in education and maintain the consistency in experimentation, ours is the first institute to go for academic autonomy in Marathwada region in 2013. Academic autonomy empowered us to frame our own courses focusing skill of employability and adopt innovative methods of teaching and evaluation. At present we have 27 U.G., 14 P.G., and 11 Doctorate programs. Besides, we have more than 100 Skill Enhancement Courses, Moral Education, Constitution of India, Environmental Studies, NCC, SWAYAM and NPTEL courses, etc. More than 4,500 students are taking education in various streams.

Taking note of our uniqueness in the field of education, the Govt. of Maharashtra honored us with '*Ideal Educational Institute*' award in 2000. The college has the distinction of being the first institution in our region going for the NAAC accreditation in 2003 ('A' grade-88.25%) and retained it in the re-accreditation in 2010 (CGPA-3.38) and in the 3<sup>rd</sup> cycle NAAC has accredited us with B++ CGPA 2.99 in 2018. The college has UGC-CPE (Phase III) status and support under DST-FIST scheme. We are also the recipient of Best Examination Center Award by Yashwantrao Chavan Maharashtra Open University, Nashik. Best Institute Award 2008-09, 2021-22 and Best Examination Center Award by our parent University.

Best College award by Govt. of Maharashtra, Dept. of Higher & Technical Education, National Education Pride Award by Top Gallent Media, National Education Excellent award, Listed in Top 10 Best Institution of Biological Science by Knowledge Review Magazine, Leading & Most Trusted Autonomous Degree College by Beginup Research Intelligence Pvt. Ltd. Bengaluru.

# College Offers

## Under Graduate Programmes, Intake Capacity

### I - B.A.(320)

01. B.A. (Degree) in Marathi
02. B.A. (Degree) in Hindi
03. B.A. (Degree) in Sanskrit
04. B.A. (Degree) in History
05. B.A. (Degree) in Public Administration
06. B.A. (Degree) in Sociology
07. B.A. (Hons / Research) in English
08. B.A. (Hons / Research) in Geography
09. B.A. (Hons / Research) in Political Science
10. B.A. (Hons) in Economics

### II - B.Com.(320)

01. B.Com. (Hons / Research) Accounts & Finance
02. B.Com. (Hons / Research) Banking & Insurance
03. B.Com. (Hons / Research) Management & Entrepreneurship

### III - B.Sc.(220)

01. B.Sc. (Degree) in Electronics
02. B.Sc. (Degree) in Analytical Chemistry
03. B.Sc. (Degree) in Fishery Science
04. B.Sc. (Hons / Research) in Botany
05. B.Sc. (Hons / Research) in Microbiology
06. B.Sc. (Hons / Research) in Zoology
07. B.Sc. (Hons / Research) in Physics
08. B.Sc. (Hons / Research) in Chemistry
09. B.Sc. (Hons) in Mathematics
10. B.Sc. (Hons / Research) in Computer Science

### IV - Biotechnology(160)

01. B.Sc. (Hons) in Biotechnology

### V - B.Sc.(CS)(320)

01. B.Sc. (Degree) in Computational Studies [B.Sc.(CS)]

### VI - B.C.A.(320)

01. B.Sc. (Degree) in Computer Application

### VII - B.Voc.(50)

01. B.Voc. (Computer Technology)

## Post Graduate Programmes

01. M.A. English (60)
02. M.A. Geography (60)
03. M.A. Economics (60)
04. M.A. Political Science (60)
05. M.A. Pali (60)
06. M.Com. (120)
07. M.Sc. Physics (30)
08. M.Sc. Chemistry (Organic Chemistry) (90)
09. M.Sc. Mathematics (30)
10. M.Sc. Botany (30)
11. M.Sc. Microbiology (30)
12. M.Sc. Zoology (30)
13. M.Sc. Computer Science (30)
14. M.Sc. Biotechnology (90)

## Recognized Research Centers

01. Marathi
02. Geography
03. Commerce
04. Microbiology
05. Physics
06. Zoology
07. Chemistry
08. English
09. Political Science
10. Computer Science
11. Botany

**Note :** \* First year of UG and PG admission will be given as per NEP-2020 guidelines.  
\* The notifications issued by the competent authority will be mandatory to all the students.

# Infrastructure

- Well equipped 70+ classrooms, including smart-classrooms.
- Wi-fi campus.
- Separate reading room for boys and girls.
- Hostel facility for girls.
- Separate E-learning laboratory with free internet / wi-fi facility.
- Ladies common room facility.
- Canteen facility. ■ GIS laboratory.
- CCTV Surveillance. ■ Seminar Hall.
- Health Care Center. ■ Auditorium.

# Laboratories

- Well equipped and Furnished 49 Laboratories.
- Advanced Sophisticated Instruments.
- Plant Tissue Culture Laboratory.
- Language Lab.
- Laboratories with advanced Instruments like Automated Fermentor, FTIR, UV-Visible Spectrophotometer, etc.
- Well developed Botanical Garden.
- Advanced software like Matlab, SPSS, etc.
- Media Lab, Audio-Video Lab.

# Sports

- Well equipped Indoor Stadium and 50 x 21 meter International Standards Swimming Pool.
- 400 Meter Track, Basketball Court, Lawn Tennis Court, Table Tennis Hall.
- A modern gym with all the latest (Cardiac and Hard core equipment) gadgets has been set up.
- Outdoor and Indoor Sports Facilities.
- Planning inter-university and inter-college sports tournaments to develop a spirit of healthy competition.
- We are proud to have quite a few state level players who have played in the National and AIU.
- We plan to arrange special coaching for them so that they make our nation proud.
- Well equipped 'Yoga Center'.
- One of our student participated in Baseball sports competition at International level.

# Activities

## Training & Placement Cell

Training & Placement Cell acts as a link between students and recruiting partners. We have achieved great success in placement and progression of 692 students of the batch of 2022-23. The training imparted by our esteemed training partners through Campus Recruitment Trainers (CRT) programs. Reputed companies like Infosys, TCS, Serum Institute, Cipla, BYJU'S, ICICI, HDFC & Axis Bank, Wipro, IBM, American India Foundation, Mphasis, Tech Mahindra, Accenture, Capgemini etc. are our corporate recruiting Companies.

## Conference / Seminar / Workshop

To provide a platform to students, academicians, industry executives and government officials to contemplate on the current issues of various sectors to the body of knowledge, every year college organizes various Conferences, Seminar & Workshops at State, National and International level.

## Shahu Mahavidyalaya Alumni Association, Latur (SMAAL)

The college has a very strong alumni association. Our alumni spread over Administrative Services, CA, CS, Scientists, Developers, Entrepreneur etc. Alumni always come with a helping hand to the institute for placements and projects.

## IIT JAM / NET / SET / GATE & Other Competitive Exams.

To provide Additional facility to the Students, each Department Provides Additional Guidance about Competitive Exams. Shahu Prabodhini enhances the capability of the Students with respect to NET/ SET/GATE and other Competitive Examinations.

## INSA

Indian National Science Academy offer several two-month Summer Research Fellowships to students / teachers to work with scientists associated with the three National Science Academies. In lieu of this our college organizes a workshop on encouraging the students to apply for INSA Fellowship and our students regularly got selected.

## HACKATHON

The department of Information Technology aims to provide quality education in the Information Technology field with the finest environment for teaching, learning, research, innovation, and character building. Hackathon is a coding competition where, students, software programmers, developers, and designers come together to solve real-life problems. A group of tech-savvy individuals collaborates intensively to innovate and develop influential solutions to a problem using technology.

## Rajarshi Innovation Incubation and Start-up Ecosystem (RISE)

RISE promotes innovative ideas and entrepreneurship development in students. It is established in accordance to the Startup India Initiative launched by the Government of India on 16th January, 2016. The objectives of the RISE are

- \* To promote the innovation and entrepreneurship culture among the students.
- \* To encourage new technology and innovation based startups
- \* To provide intellectual property ownership management and technology licencing facilities
- \* To create a robust, vibrant and multifaceted startup Incubation ecosystem by establishing a network between academia, financial institutions, research institutes, industries and other institutions.

## Scholarship offered by the Institute

- \* Principal Anirudh Jadhav Earn & Learn Scholarship.
- \* Adv. N. T. Patil Gaurav Nidhi Scholarship.
- \* S. P. Bagal Vidyarthi Sahaya Nidhi.
- \* S. Chand Scholarship.
- \* Kai. Jayant Ukka Scholarship.
- \* Through student teacher corpus fund.

## Extension Services

‘Water Angel’ and ‘Rural Transformation’ activities run under extension services.

## Management Council
