Dr. Gopalrao Patil

President

Shiv Chhatrapati Shikshan Sanstha

President's Desk ...

A child's world is a beautiful yet enigmatic tapestry made up of a plethora of goals and aspirations painted in incandescent colours of thought and deed, and their world is heavily influenced by their educational environment, as they spend the most of their youth there. As a result, education has the largest impact on a person's life. It should enable the students to develop into a well-balanced, mentally and spiritually healthy individual.

After completing higher secondary education, students are in the most crucial phase of their lives and find themselves at the crossroads. Here they are on the threshold of making the most important decision of their lives – selecting a course according to their aptitude and the best college with multifaceted approach towards higher education that is complete, whole and sound for their career.

In this highly competitive world, Rajarshi Shahu Mahavidyalaya, Latur (Autonomous) stands as a beacon providing unbounded access to information that can be transformed into comprehensive and indispensable knowledge. At Rajarshi Shahu Mahavidyalaya, Latur (Autonomous) we emphasize on instilling confidence and independence promoting critical thinking that will help the students to act and react in real life situations .

Not only knowledge imparted but opportunities are provided whereby the students learn and test the applicability of the knowledge acquired. To keep pace with the dynamically changing world we prepare students to be Global Citizens. Our programs are well designed to leverage the challenges posed by globalization, technology and changing values and attitudes. Our pedagogy is technology integrated to enhance the understanding of inter-linkage between theory and practice.

The needs of the contemporary society have propelled us to impart education that is both qualitative and quantitative. Students who enter Rajarshi Shahu Mahavidyalaya, Latur (Autonomous) as aspirants without direction, experience a sea change in their lives when they graduate. They enhance their competitive-edge undergoing experiential education at our Institute. May you all continue to scale greater and insurmountable heights of excellence. I take this opportunity to congratulate the principal, staff, students; every effort of the team is highly appreciated who has contributed towards making learning so meaningful.

Dr. Mahadev Gavhane
Principal

Principal's Desk ...

“We want education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on one's own feet.” - *Swami Vivekanand.*

Greetings to you all

I congratulate you for successfully completion of qualifying examination & heartiest welcome to the center of origin of 'Latur Pattern' in education.

Education is the acquisition of knowledge and skills, building character, development of human personality and finally it brings the individual transformation and social change. The main purpose of education is to develop a well-rounded personality and to inspire students to transform the society while paving the path for future generation to come.

The motto of the institution, **Pursuit of Excellence**, is the road map for achieving the vision of the institution. Quality education, discipline, academic excellence, integrity and honesty, social responsibility and service to the nation are the foundation of this institution from its inception. Our institution is the pioneer of 'Latur Pattern' in education. As per the emerging trends in higher education and increased demand, the institution gives importance to skill development in order to make students more employable by acquiring necessary analytical and soft skills. In view of this, ours college is the first Autonomous College in Marathwada region since 2013-14. Under autonomy, various skill based/value added courses are introduced in the curriculum. Along with theoretical and practical curriculum, focus is given on the personality development of students.

Apart from this, the students are encouraged to join departmental associations for co-curricular and extra curricular activities which develop leadership quality, management skill, team spirit. Students should take maximum advantage of the facilities like Sports, Cultural, Yoga and Gymnasium available within the campus. The institution has a highly qualified and dedicated faculty. ICT based teaching methods, fully computerized library, functional training and placement cell, local chapter for online certificate courses, etc.

The institution promotes culture of innovation, hard work and determination for achieving success. In order to gain knowledge, develop entrepreneurial skill, communication and presentation skills, the workshops, expert talks, industry academia workshops, hands-on training programmes are regularly conducted. The additional coaching for IIT JAM, SET/NET, GATE examinations is provided and guidance for various fellowship programmes is also given. The students are encouraged to develop real time projects and initiate start ups through Rajarshi Innovation Incubation & Start-up Ecosystem (RISE), which builds a bond between teachers and students that helps students to cope with the problems of growing up, keep up with their studies and planning their careers. An academic and personal counseling to each student is given on regular basis.

To cope up with the demands of 21st century's learners such as creative & innovative, collaborative & communicative, capability to solve problem with their critical thinking and have to be very competitive in nature to become global citizens & lifelong learners with hands on technology, the National Education Policy (NEP-2020) has successfully implemented from A.Y. 2023-24 to make education more holistic, interdisciplinary, competency based and experiential outlook.

I firmly believe that our institution is the best platform for learning through critical thinking, creativity and with full of curiosity and passion. It helps you to grow by equipping with everything to achieve excellence in all our endeavours. Come on, let us nurture excellence in all our endeavours through our diligence, devotion and dedication.

Wishing you all the best...!

About College ...

On behalf of Rajarshi Shahu Mahavidyalaya, Latur (Autonomous), I extend a warm welcome to all prospective students. As the principal, I am proud to invite you to join our academic community, where excellence, innovation, and global citizenship are celebrated. Whether you aspire to pursue higher education, engage in cutting-edge research, or make a difference in the world, Rajarshi Shahu Mahavidyalaya Latur (Autonomous) offers the platform and support to help you achieve your goals. Come, be a part of our legacy of excellence, and embark on a transformative educational journey that will shape your future and contribute to a brighter tomorrow. We look forward to welcoming you into our esteemed academic community.

A Beacon of Academic Eminence : Rajarshi Shahu Mahavidyalaya, Latur (Autonomous), stands as a testament to the transformative power of education. Established in 1970, our institution emerged from humble beginnings, facing challenges of accommodation, finance, and societal recognition. Despite these adversities, we persevered, driven by a vision to provide quality education to the underprivileged students of our region. From its inception with just 51 students in undergraduate programs, the institution has grown into a beacon of academic excellence, nurturing generations of leaders and changemakers.

Accolades and Accreditations : Our commitment to academic excellence has been recognized through prestigious accolades and accreditations. Rajarshi Shahu Mahavidyalaya is the first institution in Marathwada Region to go for accreditation by the National Assessment and Accreditation Council (NAAC), with notable achievement including an 'A' grade in 2003. We have also received the 'Ideal Educational Institute' award from the Government of Maharashtra, along with Best College Awards, affirming our dedication to educational standards. Additionally, our adherence to international quality management standards is evidenced by our ISO accreditation.

Empowering Education : At Rajarshi Shahu Mahavidyalaya, we believe in empowering students with knowledge, values, and skills that transcend traditional academic boundaries. Our comprehensive and globally competent curriculum, crafted by eminent scholars and experts, fosters critical thinking, innovation, and ethical leadership. With a distinguished faculty and cutting-edge facilities, we provide an unparalleled learning environment that nurtures intellectual growth and academic achievement.

Academic Offerings : Our institution offers a diverse range of programs, including undergraduate, postgraduate and doctoral programs across various disciplines. From B.A., B. Com., and B.Sc. to specialized courses in Biotechnology, Computer Science, and Information Technology, we provide students with opportunities to pursue their passions and excel in their chosen fields. Additionally, our focus on skill enhancement courses ensures students are equipped for success in today's competitive job market.

Research and Innovation Hub : Research and innovation are central to our academic mission. Through collaborative research initiatives and industry partnerships, our faculty and students are engaged in research and innovations. Through MoUs with esteemed institutions and opportunities for post-doctoral fellowships, we foster a culture of innovation and inquiry that pushes the boundaries of knowledge.

Inclusive Excellence : Diversity and inclusivity are fundamental values at Rajarshi Shahu Mahavidyalaya, Latur (Autonomous). Our vibrant campus life celebrates diversity and fosters dialogue, understanding, and collaboration among students from diverse backgrounds.

Global Perspective : In an interconnected world, we recognize the importance of a global perspective. Through international exchange programs and cross-cultural initiatives, we prepare our graduates to thrive in a diverse and interconnected global society. With a focus on cultural competency and global engagement, we equip students with the skills to navigate complex global challenges.

Alumni Impact and Placements : The transformative impact of our education is evident in the achievements of our alumni. With placements in top multinational companies and contributions to their professions and communities, our alumni serve as ambassadors of our institution's values and commitment to excellence.

For admissions, inquiries, and further information, please visit our website or contact our admissions office. We are excited to embark on this journey with you.
