B) Report

i. Title: Model and Poster Competition -2022 on occasion of National Science day

ii. Introduction

Life science is one of the foundation subjects of the curriculum worldwide. A student cannot grasp the subject thoroughly with didactic lectures alone. As a result, students are developing less interest in learning. Therefore, our department has taken lead to organize Model and Poster Competition -2022 which leads in interest-generating learning besides traditional didactic lectures. Academically poster and model presentation has been used as a method to resort knowledge. A Poster and model presentation is a visual treat to the eye and provides an eagle's view of the topic.

iii. Objectives:

- To communicate research in the form of Poster and Model
- To display poster and be available for viewers to ask questions about research.
- To provides a visual representation of research through text, charts, graphs, and other visual aids
- To display working model for viewers to ask questions about research.
- To get feedback before submitting a manuscript for publication

iv. Details of Participants

There are about 45 participant were present for the competition. Out of which seventeen (17) male and twenty eight (28) female participants present in the competition

v. Brief Summary of Events/Sessions

There are 20 posters and 6 models were displayed in competition. Forty five participant were attended the Model and Poster Competition -2022. It was inaugurated Hon.
