B) Report

i. Title: Academic Lecture on '**Religion: Necessity and Obsolescence**' (Under Staff Academic Lecture Series; an Ecosystem)

ii. Introduction:

An ecosystem promotes the creation and transfer of knowledge and Shahu Extension Services (SES) plays a crucial role in the same. There should be a platform where the learned faculties can disseminate the knowledge they have through their perceptions and studies which can encourage the growth and development of faculties along with developing their creativity.

The institution's abundance of creative talent and helpful resources can be used to produce new ideas, approaches, and concepts that could support the sociocultural development of the participants in the ecosystem.

iii. Objectives of the Workshop/ Issues Addressed:

- Creation and transfer of knowledge through the ecosystem
- To provide a platform for nurturing of new ideas, approaches, and concepts.
- To foster the engagement of creative talent and helpful resources in the institute

iv. Details of Participants:

151 participants (Male 111 and 40 Female) from the college attended the Academic Lecture.

v. Brief Summary of Events/ Sessions:

Mr. Sudarshan Patil opened the session by welcoming all the dignitaries and participants. Dr. S. J. Phule introduced the speaker. Then the learned speaker Mr. Rupesh Jain began his lecture on '**Religion: Need and Obsolescence**'. At the outset he gave brief insights about each and every religion. He talked about important principles of religions like-Christianity, Buddhism, Jainism, Mohamaddian, Sikhism etc.

He then talked about the misleading traditions of every religion and bad practices adding that these practices are now proven as outdated and should be abolished as they are inhumane.

He asserted that Buddha and Muahavir were social Reformers of the time. They influenced people by their thoughts of leading life on the path of righteousness. Here he was more focused on

Jain way of life. He talked of 24 Tirthankaras and their teachings. He gave meanings of Panchshila principles and teaching of Mahavir.

Jain religion focuses on sacrifice and not on accumulation and led towards a more fruitful way of life so he related that there are many unnecessary practices. Then he gave an example of his life that many people bring religion and castes in their day-to-day life for no reason. Most of the times in India we see that marriages are of castes and not human beings. This should be thought over to change our lives. It is not only for families and marriages but this should be practiced in every walk of life such as our business, employment, and most importantly in politics. Then only we can have a healthy society.

Finally he concluded by saying that the real religion is Love. So we should love humanity.

The chairperson Dr. Mahadev Gavhane presided over the programme by shedding light on important aspects of the speech and wished for a better society.

Dr. Kalyan Savant thanked everyone by offering vote of thanks.

vi. Conclusion, with Feedback on the Workshop:

Participants have become more enthusiastic about the Leading a life best on need of the day and their relevance to the current educational system and asked for the regular arrangement of such programs in nearby future.
